Gentle Giant Monument, Grass Valley

**Marcia L. Salter, Auditor-Controller**

A Towering Tribute  
By: Don Baumgart

The Gentle Giant monument looms massively over admirers who stop to read its base. Brass plaques filled with names of those who contributed money to make the statue happen, cover its pedestal.

The artistic creation of local sculptor Todd Andrews, the Gentle Giant strains perpetually against a burden of three large logs near the entrance to the Nevada County Fairgrounds. The largest bronze monument of its kind in California, the great draft horse statue weighs 10,000 pounds, is more than 18 feet tall, 44 feet long, and eight feet wide.

Pulling together is certainly how this community created the Gentle Giant monument. As contributions streamed in Andrews worked, modeling his sculpture after a local Belgian draft horse named Kate. It took more than 10 years from idea to casting.

Excerpts from narrative provided by Nevada County Fairgrounds

December 31, 2008

To the Honorable Board of Supervisors and the Citizens of the County of Nevada:

The Comprehensive Annual Financial Report (CAFR) of the County of Nevada for the fiscal year ended June 30, 2008 is hereby submitted in compliance with Sections 25250 & 25253 of the Government Code of the State of California. These statutes require all general-purpose local governments to issue an annual report on the financial position and activities of that government. The report must be presented in conformance with generally accepted accounting principles (GAAP) and must be audited by an independent firm of certified public accountants in conformance with generally accepted auditing standards (GAAS). The financial statements contained in this CAFR meet these requirements.

Management assumes full responsibility for the completeness and reliability of the information contained in this report, based upon a comprehensive framework of internal control that it has established for this purpose. Since the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

The financial statements contained in this CAFR have been audited by Smith & Newell, a Professional Corporation of Certified Public Accountants. Their audit was performed in accordance with GAAS. The auditors have concluded, based on their audit, that the financial statements combined with the accompanying footnotes present fairly, in all material respects, the financial condition of Nevada County as of June 30, 2008. A copy of their report is located at the front of the financial section of this CAFR. In planning and performing the audit of the financial statements, Smith & Newell considered the internal control structure of the County in order to determine appropriate audit procedures. During this review, no required reportable conditions were noted; however, several opportunities to strengthen internal control and operating efficiency were recommended. This information was presented in a letter to the Board of Supervisors and management.

Management is required by GAAP (GASB 34) to provide a management discussion and analysis (MD&A) in conjunction with financial statement reporting. The purpose of the MD&A is to introduce the basic financial statements and to provide an analytical overview of the financial activities of the County. The MD&A can be found immediately following the report of the independent auditors.

In addition to the annual audit of this CAFR, the County is also required to undergo an annual single audit in conformity with the provisions of the Single Audit Act of 1984 and the 1996 amendments to that act, and the US Office of Management and Budget Circular A-133, “*Audits of States, Local Governments and Non-Profit Organizations.*” Information related to the single audit, including the schedule of expenditures of federal awards, findings and recommendations, and the auditors’ report on the internal control and compliance with applicable laws and regulations are presented in a separate publication.

## **PROFILE OF THE COUNTY OF NEVADA**

### **General Information**

With an area of about 978 square miles, the County of Nevada is situated in the gold country of northern California. The County is located about 45 miles northeast of Sacramento, 130 miles northeast of San Francisco, and 12 miles southwest of Reno, Nevada. It is bordered by Sierra County to the north, Yuba County to the west, Placer County to the south, and the State of Nevada to the east.

### **County Government**

Nevada County was organized by an act of the legislature, approved May 18, 1851. Before that time it had been a part of Yuba County, but the growth of population and business following the gold rush of 1849-50 plus the distance of the courts for trial of important criminal and civil business, resulted in the move for a separate county organization.

The County is a general law county and is governed by a five-member Board of Supervisors, elected to serve four-year terms. Each is elected from one of the five supervisorial districts of the County. Supervisors from District 3 and 4 are elected in gubernatorial election years (2002, 2006 etc) while supervisors from Districts 1, 2 and 5 are elected in presidential years (2004, 2008 etc.). District boundaries are adjusted after every federal census to equalize district population as closely as possible.

The Board of Supervisors is the legislative and executive body of County government and also serves as the governing body of the Nevada County Sanitation District No.1 and the Nevada County Housing Authority. In addition, members of the Board represent the County on numerous intergovernmental bodies. In its legislative duties the Board adopts ordinances, resolutions and rules within the limits prescribed by State law and is responsible for seeing that all Federal and State mandated functions are properly discharged.

As an executive body, the Board determines annual budget allocation; approves contracts for public improvement projects and other specialized services; conducts public hearings on matters such as zoning appeals and planning issues; provides for the compensation of all County officials and employees; creates offices, boards and commissions as needed, appointing members and fixing the terms of office; directs an annual audit of all County accounts, books, and records; provides policy direction to the County Executive Officer for the operation and administration of County departments; and exercises executive authority for the provision of local government services to County residents.

The remaining elected officials are the Assessor, the Auditor-Controller, the Clerk-Recorder, the District Attorney, the Sheriff and the Treasurer-Tax Collector. The County Executive Officer (CEO) is appointed by the Board to run the day-to-day operations of the County.

## **County Services**

The County, with an average 975.9 full-time equivalent employees, provides a full range of services to its residents, including public safety protection; corrections and probation; construction and maintenance of roads, bridges and other infrastructure; health services, public assistance programs, sanitation services, environmental services, libraries, and a variety of other general governmental services. Every resident of the County, directly or indirectly, benefits from these services. Most services performed by the County are provided for all residents, regardless of whether those residents live in cities or unincorporated areas. The County prides itself on being innovative in the delivery of services to its citizens. The following is a sampling of recently deployed service enhancements:

- Social Services implemented the Video Eligibility Project, which allows Eligibility Workers to conduct interactive interviews to determine client eligibility without the need for client and/or staff travel.
- The Nevada County Office of Emergency services implemented an emergency alert notification system that enables pre-recorded emergency information message to be sent by phone, fax, and email at the rate of 400 calls per minute.
- The Sheriff's Department upgraded and installed Zetron 911 phones to the two County dispatch centers which enhances the tracking of cell phone calls for quick response.

## **Accounting Information**

The accounts of the County are organized on the basis of funds, each of which is considered a separate entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures or expenses as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which the spending activities are controlled.

The governmental reporting entity consists of the County and its component units. Component units are legally separate organizations for which the Board of Supervisors is financially accountable or other organizations for which the nature and significant relationship with the County are such that exclusion would cause the County's financial statements to be misleading or incomplete. The following blended component units are considered to be part of the primary government for reporting purposes: Nevada County Sanitation District, the Nevada County Housing Authority, the Nevada County Finance Authority and Special Districts governed by the Board. Note 1 of the Notes to the Financial Statements contains additional information on these entities.

## **Budgetary Process**

The County is required by State law to adopt a balanced budget by July 1 of each fiscal year. The process begins in February with budget instructions issued to departments by the County Executive Officer (CEO). Department heads are responsible for preparing and managing their budgets. The County Executive Office reviews departmental projections for expense and income accuracy, consistency with budget policies, and planned attainment of the County's goals and objectives. As a recommending body to the CEO, a Budget Subcommittee is appointed, whose members provide a comprehensive review of department requests for service levels, funding, and staffing. The subcommittee consists of two members of the Board of Supervisors. Also serving as advisors are the elected Auditor-Controller, the County Executive Officer and the Deputy County Executive Officer. The Board of Supervisors is responsible for adopting the budget, after considering it as a whole, and gauging its success in reflecting County goals and priorities for the community. After adoption of the budget, the County Executive Office staff reviews and monitors revenues and expenses quarterly and assists departments in fiscal management as necessary.

The County Auditor-Controller is responsible for monitoring and reporting expenditures within budgeted appropriations. Budget information is presented for the general and special revenue funds. This budget data is prepared on the modified accrual basis consistent with comparable actual amounts. Budgets are also adopted for the enterprise and internal service funds. Budget appropriations represent original amounts adjusted by budget transfers and appropriation amendments. Encumbrance accounting is utilized during the year for budget control purposes. However, encumbrances outstanding at year-end do not constitute expenditures or liabilities, but rather reserves of fund balances. Unencumbered budget appropriations lapse at the end of the fiscal year.

The CEO may approve transfers of appropriations between major objects of expenditure within the same service budget unit (SBU) and fund. The Board must approve amendments or transfers of appropriations between SBUs within any fund and supplemental appropriations necessary and normally financed by unanticipated revenues during the year. Any deficiency of budgeted revenues and other financing sources over expenditures and other financing uses is financed by beginning available fund balances.

## **LOCAL ECONOMY**

### **Population**

The 2008 estimated population figures, as provided by the California Employment Development Department for the County, are 99,186. This is down a slight .59% from 2007, with about 69% of the residents living in the unincorporated areas. The Town of Truckee is the largest of the three cities within the County, with approximately 15,915 residents in 2008. The City of Grass Valley is the second largest city within the boundaries of the County with a population of 13,031. Nevada City serves as the County seat with a population in 2008 of 3,088.

### **Labor Force**

The County's 2008 labor force totaled 51,570, an increase of 11.9 percent from 2000 figures. Nevada County's unemployment rate in June 2008 was 6.7 percent, which is noticeably below California's rate of 8.2 percent for the same year.

### **Industry Employment**

Nevada County's industry employment increased by 6 percent (3140 jobs), during the 2003-2007 profiled period. Three industries led job growth over these years: natural resources, mining and construction; leisure and hospitality; and manufacturing. Leisure and hospitality increased by 6 percent (240 jobs), natural resources, mining and construction gained 13.1 percent (460 jobs), and manufacturing expanded by 12.5 percent (260 jobs). Offsetting these gains, several industries posted losses over the profiled period: educational and health services dropped by 160 jobs, and financial activities declined by 40 jobs.

### **Housing**

According to the California Association of Realtors, approximately 1,334 homes in Nevada County were sold in the calendar year 2007. However, prices were impacted by the general housing market trends, and prices of local homes sold declined by 18.5%, to a median price of \$365,000 as of October 2008. The Grass Valley area has shown the largest one year decrease of 18.1% with the median home price dropping from \$354,000 to \$290,000.

### **Property Tax Collection and Apportionment**

Property taxes levied countywide (secured, unsecured and unitary) rose in fiscal year 2007-08 to \$159,571,633, an increase of 12.6% over the previous fiscal year total of \$150,668,525. The Auditor-Controller calculates the local property tax bills based on assessed values as provided by the Assessor. The Treasurer-Tax Collector then distributes the tax bills and is charged with collection. In fiscal year 2007-08 the Auditor-Controller apportioned the revenue as follows:

- Nevada County General Fund: 14.3%
- Schools: 56.7%
- Special Districts: 19.4%
- Cities: 7.5%
- Redevelopment Agencies: 2.1%

### **Transient Occupancy Tax (TOT)**

As of January 1, 2005, the administration of the Transient Occupancy Tax was delegated to the Treasurer and Tax Collector. The County's 10% tax is levied in the unincorporated area of Nevada County on lodging fees where the lodger stays for 30-days or less. Transient Occupancy Tax (TOT) revenues increased 3.6% to \$303,124 in fiscal year 2007-08 over the prior fiscal year. The growth rate of increase for this period was significantly less than prior years. In the past several years, an enhanced collection effort had been engaged which realized an increase of delinquent amounts collected.

### **Debt Administration**

Contained within the County's tax code area are numerous municipalities, school districts and special-purpose districts providing public services. These entities have outstanding bonds issued in the form of general obligation bonds.

Direct debt constitutes debt directly issued by the County while overlapping debt constitutes that portion of the debt issued by different public entities within the same tax code area as the County's. The County is not responsible for overlapping debt of the other local agencies.

The County has \$79,043,594 in direct debt outstanding as of June 30, 2008. This includes the 2002 Certificates of Participation, capital leases, special assessment debt, loans payable, compensated absences, accrued claims payable and landfill post closure. This amount also includes the Sanitation Districts – State Revolving Fund loans for three major plant upgrades.

## **RELEVANT FINANCIAL POLICIES**

### **Budget Policies**

The Board of Supervisors adopted several policies to guide the preparation of the budget. The following are several key items:

- Every effort will be made to provide same level service as the prior year. This may require the reorganization or streamlining of current resources.
- The budget will only use reserve funds for emergency and one-time expenditures or for purposes designated to fund. Every effort will be used to preserve reserve funds.
- There will be a high level of fiscal discipline by the Department Heads, Budget Subcommittee, County Executive Office and Board of Supervisors. Every effort will be made to maximize County assets, achieve a high level of funding for employee retirement promises, evaluate cost per service item and develop and maintain contracts with vendors within Nevada County.

### **Cash Management**

The County sponsors an investment pool that is managed by the County Treasurer-Tax Collector for the purpose of earning interest through investments. The State of California statutes require certain government entities and special districts to maintain their surplus cash with the County Treasurer-Tax Collector. Cash and investments for most County activities are included in the investment pool.

The California Government Code statutes and the County's investment policy govern the County's investment pool activity. The County's investment policy has the following objectives: safety, liquidity, and yield. Those statutes and policy authorize the County Treasurer-Tax Collector to invest in securities issued by the U.S. Government Treasury and its Agencies, certain corporate bonds and notes, bankers' acceptances, certificates of deposit, commercial paper, and repurchase agreements. The investment pool's maximum maturity limitation is 5 years. The Auditor-Controller monitors and reviews the management of the County's investment pool on an on-going basis. An annual compliance audit is performed by an external independent CPA firm. The County pool of investments earned an average rate of return for the fiscal year ending June 30, 2008 of 4.24%.

### **Risk Management**

The County is a member of the CSAC Excess Insurance Authority, a public entity risk pool currently operating as a common risk management and insurance program for Counties. Under this program, the Risk Management Funds provide coverage for up to a maximum of \$100,000 for each general liability claim. In fiscal year 2007-08, the County maintained two layers of excess coverage for a total of \$15.0 million in general liability coverage.

The claims liability for General Liability and Unemployment self-insurance was approximately \$841,191 at the end of fiscal 2008 and was funded at \$1,415,033. Details on the Risk Management program are contained in the footnotes to the financial statements.

## **Other Factors Affecting Financial Condition**

The economy has entered into a significant downturn stemming from the housing sector crisis and has been filtering throughout the U.S., and even across the globe. Projections foresee an economic decline through fiscal year 2009-10. Many factors will play into the speed of the recovery. California local governments are particularly vulnerable to State and Federal budgetary difficulties. The State of California acts as a pass-through entity for much of the County revenue. The State's struggling economy has severely reduced its expected revenues and has recently estimated a \$41 billion short-fall for its budget over the next two years. Reduction of program revenues and delays in payment to the County will negatively affect the County budget and therefore decrease the ability to provide numerous services. Reductions in the growth rate for local property tax, reduce the County's discretionary revenues available to fund its services and programs. However, the County remains fiscally solvent and is a testament to the conservative policies of the Board of Supervisors. The General Fund reserves, purposely set aside during the past years when double digit growth was realized, will provide somewhat of a cushion while waiting out the economic recovery.

## **Awards**

The Government Finance Officers Association of the United States and Canada awarded the Certificate of Achievement for Excellence in Financial Reporting to the County of Nevada for its CAFR covering the fiscal year ended June 30, 2007. The Certificate of Achievement is a prestigious national award, recognizing conformance with the highest standards for preparation of state and local government financial reports. In order to be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized CAFR whose contents conform to program standards. Such CAFRs must satisfy both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only. This is the first year we have received this esteemed award. We believe our current CAFR continues to meet the Certificate of Achievement program requirements, and we are submitting our application for the Certificate for this year.

## **Acknowledgments**

The preparation of this Comprehensive Annual Financial Report was possible with the combined efforts of numerous individuals. I wish to express my sincere appreciation to my staff in the Auditor-Controller's Office for their tremendous effort and dedication to the preparation and review of this report. I would like to thank all the departments and agencies who contributed financial information to this report along with our independent auditors, Smith & Newell and staff, for their assistance and guidance in producing this CAFR. In addition, I would like to thank the Board of Supervisors and the County Executive Office for their continued efforts in planning and overseeing the financial operations of the County in a responsible and progressive manner.

Respectfully Submitted,

Marcia L. Salter  
Auditor-Controller

# Certificate of Achievement for Excellence in Financial Reporting

Presented to

## INDEPENDENT AUDITOR'S REPORT

To the Board of Supervisors and Grand Jury  
County of Nevada  
Nevada City, California

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County of Nevada, California (County), as of and for the year ended June 30, 2008, which collectively comprise the County's basic financial statements, as listed in the table of contents. These financial statements are the responsibility of the County's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County as of June 30, 2008, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated January 16, 2009, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and important for assessing the results of our audit.

The accompanying Required Supplementary Information, such as Management's Discussion and Analysis, the Schedule of Funding Progress, and the Budgetary Comparison Schedules as listed in the table of contents, is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The introductory section, the combining and individual nonmajor fund statements and schedules, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining and individual nonmajor fund financial statements and schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole. The introductory section and statistical section have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them.

**(Unaudited)**

**THIS PAGE INTENTIONALLY LEFT BLANK**

**COUNTY OF NEVADA**  
**Management's Discussion and Analysis**  
**Required Supplementary Information**

This section of the County of Nevada's (County's) comprehensive annual financial report provides an overview and analysis of the County's financial activities for the fiscal year ended June 30, 2008. Please read it in conjunction with the transmittal letter at the front of this report and the County's basic financial statements following this section.

**FINANCIAL HIGHLIGHTS**

- The assets of the County exceeded its liabilities at the close of the 2007-2008 fiscal year by \$319,004,562 (net assets). Of this amount, \$14,741,485 (unrestricted net assets) may be used to meet the County's ongoing obligations to citizens and creditors, \$38,274,175 is restricted for specific purposes (restricted net assets), and \$265,988,902 is invested in capital assets, net of related debt.
- The County's total net assets increased by \$6,685,593. The governmental activities net assets at the close of the 2007-2008 fiscal were \$294,047,189 and the business-type activities net assets were \$24,957,373.
- As of June 30, 2008, the County's governmental funds reported combined ending fund balances of \$57,005,322 an increase of \$405,183 or .72% in comparison with the prior year's ending fund balance. Approximately 58.3% of this total amount, \$33,245,765 is *available* to meet the County's current and future needs (*unreserved / undesignated fund balance*).
- At the end of the fiscal year, the unreserved fund balance for the General Fund was \$18,363,975, or 34.3% of the total General Fund expenditures for the year.
- The County's total long-term debt increased from \$ \$69,727,218 to \$79,043,955. This \$9,316,737 or 13.4 % increase was related to loans used to fund two major capital projects in the Sanitation District.

**OVERVIEW OF THE FINANCIAL STATEMENTS**

This discussion and analysis is intended to serve as an introduction to the County's basic financial statements. The County's basic financial statements comprise three components: 1) **Government-wide** financial statements, 2) **Fund** financial statements, and 3) **Notes** to the basic financial statements. Required Supplementary Information is included in addition to the basic financial statements.

**Government-wide Financial Statements** are designed to provide readers with a broad overview of the County's finances, in a manner similar to a private-sector business.

The *statement of net assets* presents information on all of the County's assets and liabilities, with the difference between the two reported as *net assets*. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial position of the County is improving or deteriorating.

The *statement of activities* presents information showing how the County's net assets changed during the most recent fiscal year. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in a future fiscal period (e.g., uncollected taxes and earned but unused vacation leave).

Both of these government-wide financial statements distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the County include general government, public protection, public ways and facilities, health and sanitation, public assistance, education and recreation. The business-type activities of the County include the Western Nevada County Solid Waste, Eastern Nevada County Solid Waste, Transit Services, and the Airport.

**COUNTY OF NEVADA**  
**Management's Discussion and Analysis**  
**Required Supplementary Information**

Component units are included in our basic financial statements and consist of legally separate entities for which the County is financially accountable and that have substantially the same board as the County or provide services entirely to the County. The County's component units are: Nevada County Sanitation District, Nevada County Housing Authority, and Nevada County Finance Authority.

*The government-wide financial statements can be found on pages 18-19 of this report.*

**Fund Financial Statements** are groupings of related accounts that are used to maintain control over resources that have been segregated for specific activities or objectives. The County, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the County can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

**Governmental funds** are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows* and *outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating the County's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the County's near-term financing decisions. Both the governmental funds balance sheet and the governmental funds statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The County maintains one hundred eighty-five individual governmental funds. Information is presented separately in the governmental funds balance sheet and in the governmental funds statement of revenues, expenditures, and changes in fund balances for the General Fund and other major governmental funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual and grouped fund data for the non-major governmental funds are provided in the form of *combining statements* elsewhere in this report.

*The governmental fund financial statements can be found on pages 20-23 of this report.*

**Proprietary funds** are maintained in two ways. Enterprise funds are used to report the same functions presented as *business-type activities* in the government-wide financial statements. *Internal service funds* are used to accumulate and allocate costs internally among the County's various functions. The County maintains thirty-seven individual proprietary funds. The Western Nevada County Solid Waste, Eastern Nevada County Solid Waste, the Airport, Transit Services and Sanitation District are used for business-type activity. The County uses internal service funds to account for its Fleet Management, Vision Insurance, Unemployment Insurance, Liability Insurance, Dental Insurance and Central Services. As these services predominantly benefit governmental rather than business-type functions, they have been included within *governmental activities* in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. Western Nevada County Solid Waste, the Airport and the Sanitation District are considered to be major funds of the County and are presented individually. The County's non-major enterprise funds and the six internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for each of these nonmajor enterprise and internal service funds are provided in the form of *combining statements* elsewhere in this report.

*The proprietary fund financial statements can be found on pages 24-28 of this report.*

**COUNTY OF NEVADA**  
**Management's Discussion and Analysis**  
**Required Supplementary Information**

**Fiduciary funds** are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the County's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds. The County maintains three hundred ten fiduciary funds.

*The fiduciary fund financial statements can be found on pages 29- 30 of this report.*

**Notes to the Financial Statements** provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

*The notes can be found on pages 31-58 of this report.*

**Required Supplementary Information** consists of funding progress schedules for the County Defined Benefit Pension Plan and Other Post Employment Benefit Plan; the County's General Fund budgetary schedule to demonstrate compliance with the County's adopted budget; the budgetary comparison schedules for all Major Funds, and infrastructure assets reported using the modified approach to account for the County's road subsystem.

*Required supplementary information can be found on pages 59-68 of this report.*

**Combining and individual fund statements and schedules** referred to earlier provide information for nonmajor governmental funds, nonmajor enterprise funds, internal service funds, and fiduciary funds and are presented immediately following the required supplementary information.

*Combining and individual fund statements and schedules can be found on pages 69-111 of this report.*

**Required Supplementary Information**

**GOVERNMENT-WIDE FINANCIAL ANALYSIS**

As noted earlier, net assets may over time serve as a useful indicator of the County's financial position. On June 30, 2008, the County's assets exceeded its liabilities by \$319,004,562.

**County's Net Assets**  
**June 30, 2008 and 2007**

	Governmental Activities		Business-Type Activities		Total		Variance
	2008	2007	2008	2007	2008	2007	
Current and other assets	69,487,274	67,896,533	24,338,926	27,208,640	93,826,200	95,105,173	-1.34%
Capital Assets	258,347,801	257,942,703	57,407,075	39,981,773	315,754,876	297,924,476	5.98%
<b>Total Assets</b>	<b>327,835,075</b>	<b>325,839,236</b>	<b>81,746,001</b>	<b>67,190,413</b>	<b>409,581,076</b>	<b>393,029,649</b>	<b>4.21%</b>
Long-term liabilities	25,888,118	24,136,470	53,155,837	45,590,748	79,043,955	69,727,218	13.36%
Other liabilities	7,899,768	7,807,152	3,632,791	3,176,309	11,532,559	10,983,461	5.00%
<b>Total Liabilities</b>	<b>33,787,886</b>	<b>31,943,622</b>	<b>56,788,628</b>	<b>48,767,057</b>	<b>90,576,514</b>	<b>80,710,679</b>	<b>12.22%</b>
Net Assets:							
Invested in capital assets, net of related debt	240,377,169	238,955,459	25,611,733	17,773,325	265,988,902	256,728,784	3.61%
Restricted	38,274,175	40,643,025	0	0	38,274,175	40,643,025	-5.83%
Unrestricted	15,395,845	14,297,129	-654,360	650,031	14,741,485	14,947,160	-1.38%
<b>Total Net Assets</b>	<b>294,047,189</b>	<b>293,895,613</b>	<b>24,957,373</b>	<b>18,423,356</b>	<b>319,004,562</b>	<b>312,318,969</b>	<b>2.14%</b>

Of the County's total net assets, approximately 4.6% are unrestricted net assets that may be used to meet the County's ongoing obligations to citizens and creditors. 83.3% of the County's net assets reflect its investment in capital assets (e.g., land, buildings, equipment and other infrastructure), less any related debt used to acquire those assets that is still outstanding. The remaining portion of the County's net assets, 12.1% represents resources that are externally restricted in purpose.

The Business-Type Activities Unrestricted balance reflects a negative amount. The source of this amount is in the Solid Waste operation and is contributed to the post-closure cost liability of the closed landfill. Additional information regarding this liability can be found in Note 3 (g).

As mentioned earlier, there was an overall increase of \$6,685,593 (or 2.14%) over the prior year's net assets. The majority of the noted amount is attributable to the increase in the County's business-type activities category of Invested in Capital Assets and is due to major capital improvement projects within the Sanitation District. Additional detail on the capital assets can be found in Note 3 (c).

**COUNTY OF NEVADA**  
**Management's Discussion and Analysis**  
**Required Supplementary Information**

Key elements of the increase/decrease in *revenues* in the governmental activities:

- Property tax revenues increased \$2,048,716 or 6.5%. Of this amount, approximately \$ 1,764,396 was due to the overall growth in property tax from the past year. Supplemental property taxes declined 35.3% or \$566,358 to \$1,035,651. The remaining portion of approximately \$826,348 was due to an increase of the in-lieu of vehicle license fees (VLF) that are now reported as property tax due to the fact that the revenue source is based upon assessed valuation.
- Other tax revenue category decreased (8.6%) or \$687,272 from the prior year. There was a decrease of 30.8% or \$300,820 from the prior year in Transfer Taxes to \$673,351 due to the decrease in the number of real estate sales and the amount of the transactions. The Sales and Use tax category decreased \$358,636.
- Operating Grants and Contributions increased 12.53% or \$7,579,997 over the prior year. A portion of the increase is attributable to the receipt of California Proposition 1B funding for transportation programs specifically with Roads in the amount of \$2,109,272. The Health and Human Services programs received an increase of approximately \$4,178,054 in funding. The primary program areas were in the Behavioral Health and Social Services programs. The Homebuyer Assistance program received an additional \$612,482 in revenues.

**COUNTY OF NEVADA**  
**Management's Discussion and Analysis**  
**Required Supplementary Information**

Key elements of the increase/decrease in *expenses* in the governmental activities:

- The General Government category increased by 12.4% or \$1,512,910. The primary increase was due to computers and equipment associated with the purchase of the electronic voting system in the amount of \$1,379,354. The balance of the increase was due to the negotiated adjustments in salary and benefit costs. The fiscal year 2007-08 was the first year the County implemented its funding plan for its Other Post Employment Benefits (OPEB) obligations. For additional information on the OPEB, see Note 5 within this statement.
- The Public Protection category experienced an increase of 12.7% from the prior fiscal year which equated to a \$5,983,916 increase in expenditures. The increase is primarily due to the negotiated adjustment in salary and benefits as well as the addition of several positions.
- The Health and Sanitation program area increased expenditures by \$3,375,399 or 19%. The majority of that increase was related to the full implementation of the Mental Health Services Act (MHSA) and Mentally Ill Offender Crime Reduction (MICOR) programs within the Behavioral Health area. The largest of the program expenditures, approximately \$2,460,131, were in the form of contracted professional services. Of the remainder of the increase in the category, approximately \$756,218 was due to the increase in the negotiated personnel salary and benefits.
- The Education category increased its expenditures by 18.7% or \$474,202. There was an approximate \$96,628 increase in contracted services from the Forest Reserve funds. The remainder of the increase being within the Public Library Fund due to the negotiated adjustment in salary and benefits in the amount of \$181,598 along with increase in utility costs and distributed administrative overhead totaling \$145,221.
- The Public Assistance category experienced an increase of 9.7% or \$2,240,089. The In-Home Supportive Services (IHSS) program costs increased \$635,851. The CalWorks program expenditures increased \$514,715 while the Foster Care program expenditures decreased \$544,177. Additionally, the salary and benefit costs increased for personnel totaling \$968,340.

**COUNTY OF NEVADA**  
**Management's Discussion and Analysis**  
**Required Supplementary Information**

**Expenses - Governmental Activities**

Key elements of the increase/decrease in revenues in the business-type activities:

- Operating Grants and contributions increased \$564,387 over the prior year which was primarily due to grants received by Solid Waste and the Transit operations.
- Capital Grants and Contributions category decreased by \$1,304,552 or (94.5) %. The decrease was due to the completion in the 2006-07 fiscal year of the capital project within the Airport, the grant funded equipment purchase for Transit and the transfer of plant assets to the Sanitation District.
- Charges for services decreased 5.25% or 835,333 which was partially due to a decrease in users of the Transfer Station services which equated to a 3% decrease or \$267,147. Additionally, Sanitation Services service revenues decreased 6% or \$273,700.
- Other taxes increased \$198,728 or 7.95% of which Transportation taxes and Aircraft tax collections increased in the amounts of \$189,865 and \$7,740 respectively.

**COUNTY OF NEVADA  
Management's Discussion and Analysis  
Required Supplementary Information**

**COUNTY OF NEVADA**  
**Management's Discussion and Analysis**  
**Required Supplementary Information**

Key elements of the increase/decrease in *expenses* in the business-type activities:

- Western Nevada County Solid Waste expenses increased 6.3% or \$434,129 over the prior year. A 12% increase in salary and benefit cost adjustments were the primary factor in this increase totaling \$208,175. In addition, an increase in the landfill post-closure costs of \$131,705 was also recognized.
- Airport operating expenses increased 12.34% or \$158,260 over the prior year. Services and supplies increased 10% or \$67,304. The increase was primarily for professional services for FAA required projects and plans. The balance of the increase in expense is due to the 11.9 % increases in salary and benefit costs.
- Sanitation District expenses increased 15.3% or \$689,345 of which \$500,000 was attributable to the payoff of one of the interim financing loans for one of the capital improvement projects. The balance of the increase in expense is due to the increase in salary and benefit costs.

**Expenses - Business-type Activities**

**Management's Discussion and Analysis**  
**Required Supplementary Information**

**FINANCIAL ANALYSIS OF THE COUNTY'S FUNDS**

As noted earlier, the County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

**Governmental funds.** The general government functions are contained in the General Fund, Special Revenue, Debt Service, and Capital Project Funds. Included in these funds are the special districts governed by the Board of Supervisors. The focus of the County's *governmental funds* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the County's financing requirements. In particular, *unreserved fund balance* may serve as a useful measure of the County's net resources available for spending at the end of the fiscal year.

**Governmental Funds**  
**Combined Balance Sheet**

Total Liabilities and Fund Balance	<u>71,490,510</u>	<u>69,316,634</u>	<u>3.14%</u>	<u>2,173,876</u>

As of June 30, 2008, the County's governmental funds reported combined ending fund balances in the amount of \$57,005,322 a slight increase of .72% or \$405,183 in comparison with the prior year's fund balance. Approximately 58.3% of this total amount or \$33,245,765 constitutes *undesignated fund balance*, which is available to meet the County's current and future needs. The *designated fund balance increased 38.6%* or \$4,476,741. This segregation of a portion of the fund balance indicates tentative plans for financial resource utilization in a future period. The remainder of fund balance is reserved to indicate that it is not available for new spending as it has been committed (1) to pay debt service \$2,271,913 (2) to reflect inventories \$132,713 and (3) the amount due from other funds that are long-term in nature and thus do not represent available spendable resources \$97,000, and (4) to liquidate contractual commitments \$770,869, and (5) for a variety of other restricted purposes \$4,414,062.

**COUNTY OF NEVADA**  
**Management's Discussion and Analysis**  
**Required Supplementary Information**

*The General Fund* is the chief operating fund of the County. At June 30, 2008, the total fund balance was \$18,731,147, an increase of \$2,774,033 from the prior fiscal year. Of the unreserved portion of the fund balance, \$16,073,000 was designated for specific purposes and the remaining balance of \$2,290,975 was undesignated.

As a measure of the General Fund's liquidity, it may be useful to compare unreserved, undesignated fund balance and total fund balance to total general fund expenditures. The unreserved fund balance represents 34.3% of total general fund expenditures, while total fund balance represents 35% of that same amount.

The following provides explanations of revenues by source that changed significantly over the prior year:

**Revenues Classified By Source**  
**General Fund**

Revenue Type	FY 2008 Amount	Percent of Total	FY 2007 Amount	Percent of Total	Increase	Percentage
					(Decrease) Amount	of Change
Taxes and Assessments	37,998,736	68.20%	36,445,320	67.84%	1,553,416	4.26%
License and Permits	1,109,512	1.99%	1,064,449	1.98%	45,063	4.23%
Fines and Forfeitures	2,459,742	4.41%	2,029,952	3.78%	429,790	21.17%
Use of Money and Property	1,352,702	2.43%	1,128,937	2.10%	223,765	19.82%
Intergovernmental	4,521,081	8.11%	3,709,196	6.90%	811,885	21.89%
Charges for Service	6,993,841	12.55%	6,732,794	12.53%	261,047	3.88%
Other Revenues	1,278,075	2.29%	2,612,084	4.86%	-1,334,009	-51.07%
Total	55,713,689	100.00%	53,722,732	100.00%	1,990,957	3.71%

*Taxes and Assessments* – Included within the \$1,553,416 or 4.3% this increase in this category are \$1,764,396 of secured tax revenue, \$79,276 in the Sales and Use Tax (Triple Flip) revenue and \$826,348 of Vehicle License Fee (VLF Swap) revenue. The latter two of these revenues are now categorized property tax as the result of State of California and voter approved actions in 2004. The supplemental tax, sales and use tax and the property transfer tax revenue categories all realized a decline from the prior year in the amounts of \$564,536, \$323,840 and \$300,820 respectively.

*Fine and Forfeitures*- The \$429,790 or 21.17% increase in this revenue category was the result of collections of penalties and interest for delinquent property tax payments.

*Use of Money and Property* – The net increase of 19.8% or \$223,765 in this category was partially due to an increase in interest earnings in the amount of \$131,391 and the remainder of \$151,692 to an increase in the collection of building rents from the Courts and communication tower revenues.

*Intergovernmental* – The 21.9 % increase or \$811,885 in this category is due to the addition of several grant programs in which the County participated. Those programs included the Help America Vote Act, Federal Technology for Sheriff, and additional Homeland Security funding.

*Other Revenues* – The 51.07% or \$1,334,009 decrease in this category is attributable to a one-time change in classification from revenue to interfund reimbursements of expenditures.

**COUNTY OF NEVADA**  
**Management's Discussion and Analysis**  
**Required Supplementary Information**

The following provides an explanation of expenditures by function that changed significantly over the prior year:

**Expenditures by Function**  
**General Fund**

Expenditures by Function	FY 2008	Percent	FY 2007	Percent	Increase	Percentage of
	Amount	of Total	Amount	of Total	(Decrease) Amount	Change
General government	11,931,463	22.28%	11,479,993	23.31%	451,470	3.93%
Public protection	40,281,940	75.23%	36,500,979	74.10%	3,780,961	10.36%
Public Assistance	326,602	0.61%	291,213	0.59%	35,389	12.15%
Education	109,691	0.20%	94,378	0.19%	15,313	16.23%
Capital outlay	877,178	1.64%	873,008	1.77%	4,170	0.48%
Debt Service	15,271	0.03%	18,477	0.04%	-3,206	-17.35%
<b>Total</b>	<b>53,542,145</b>	<b>100.00%</b>	<b>49,258,048</b>	<b>100.00%</b>	<b>4,284,097</b>	<b>8.70%</b>

*General government* – The \$451,470 or 3.93% overall increase in expenditures in this category is across various categories. First, there was a \$1,334,009 reduction in this category attributable to a change in classification from revenue to interfund reimbursements of expenditures along with an increase of \$836,333 in interfund reimbursements for the current year. The reductions were offset by a \$1,379,354 cost associated with the purchase of the HART voting system and the salaries and benefits increase of 10.1% or \$1,405,007.

*Public Protection* – Key factors of the 10.36% or \$3,780,961 increase were primarily in the salaries and benefits expenditures. This category increased 12% or \$ 3,323,154 over the prior year and included the additional cost of nine positions within the Sheriff's operations. The remaining balance of the increase was associated with contracted services, travel, training and care and support expenditures.

*Public Assistance* – The key factor in this 12.15% increase for the category was primarily due to the increase in salaries and benefits costs.

*Debt Service* – The 17.35% decrease in this expenditure category is due to a capital lease purchase that was extinguished in the 2006-07 year.

**Other Major Funds Highlights**

*The Road Fund* is used to account for the activities associated with the construction and maintenance of county roads and bridges. The Road Fund's undesignated fund balance decreased by \$1,260,255 or 20%. The majority of this decrease represents sources that were used to fund the \$1,247,311 or 51% increase in road capital project expenditures.

*The Human Services Agency Fund* is used to account for the majority of the Public Health, Behavioral Health and Social Service programs. The \$1,515,603 net increase in fund balance adds to the existing balance for a total of \$2,178,279 in available funds for future program expenditures.

*The Health and Welfare Realignment Fund* is used to account for direct allocations from the State for sales tax revenues dedicated to certain Health, Mental Health and Social Service programs. The net decrease in fund balance was \$1,346,669 bringing the total fund balance available for future programs expenditures to \$6,447,836.

**Proprietary funds.** The County's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

**COUNTY OF NEVADA**  
**Management's Discussion and Analysis**  
**Required Supplementary Information**

Unrestricted net assets (deficits) of the Western Nevada County Solid Waste at June 30, 2008 amounted to (\$7,616,602). Though the unrestricted net assets remain in a deficit, the enterprise operation did have a positive change in Net Assets in the amount of \$1,142,168.

The unrestricted net assets of the Airport enterprise operation decreased to \$25,259 for the fiscal year ending June 30, 2008.

**GENERAL FUND BUDGETARY HIGHLIGHTS**

The difference between the original budget and the final amended budget resulted in \$3,096,656 net increase in appropriations (excluding transfers). Explanations of significant changes for this increase are as follows:

- \$508,653 was the result of an increase in the General Government budget category. The increase was scattered amongst many service budget units. The most significant amendments effected increases in Elections and Information Systems and an increase in reimbursements to Uses and Sources
- \$2,016,816 was the result of an increase in the Public Protection budget category primarily due to additional appropriations of funds in the District Attorney, Sheriff Operations and Corrections budget units.

The increase was possible through unanticipated revenues from various sources and general reserves, including additional aid from other governments.

At fiscal year end, revenues were slightly under the budgetary estimate by \$759,275 or 1%, and expenditures were under the budgetary estimates by \$2,800,982 or 4%. The net activity, including the transfers, increased the General Fund's fund balance by \$2,774,033.

*Additional information on the General Fund and other major funds budget can be found on pages 60-66.*

**CAPITAL ASSETS AND DEBT ADMINISTRATION**

**Capital assets** The County's investment in capital assets for its governmental and business-type activities as of June 30, 2008 amounted to \$315,754,876 (net of accumulated depreciation). This investment in capital assets includes land, infrastructure, buildings and improvements, and equipment.

**County's Capital Assets**  
(Net of depreciation)

	Governmental Activities		Business-Type Activities		Total		Variance

**COUNTY OF NEVADA**  
**Management's Discussion and Analysis**  
**Required Supplementary Information**

*Construction in progress* – The capital improvements to the Sanitation District assets were the key factors in the 68.14% increase reflected in 2008. Projects are in progress and will be reclassified to appropriate asset categories upon completion.

*Additional information on the County's capital assets can be found in Note 3(C) on pages 45-46 of this report.*

**Long-term debt.** At June 30, 2008, the County had total debt outstanding of \$79,043,955.

**County's Outstanding Debt**  
**Certificates of Participation, Notes Payable, Capital Lease Obligations, Compensated Absences**

	Governmental Activities		Business-Type Activities		Total		Variance
	2008	2007	2008	2007	2008	2007	
Certificate of Participation	13,850,000	14,730,000	7,789,519	8,216,119	21,639,519	22,946,119	-5.7%

Net OPEB Obligation	1,940,000	0	0	0	1,940,000	0	100.0%
<b>Total</b>	<b>25,888,118</b>	<b>24,136,470</b>	<b>53,155,837</b>	<b>45,590,748</b>	<b>79,043,955</b>	<b>69,727,218</b>	<b>13.4%</b>

The County's total outstanding debt increased by \$9,316,737, or 13.4 %, during the fiscal year. The key factor for the increase was in the securing of additional capital improvement loans by the Sanitation District to fund two large plant upgrade projects in the amount of \$8,249,644. The net difference is a decrease due to the payment of the annual scheduled principal payments primarily on the Certificates of Participation in the amount of \$1,306,600 and the first time recognition of the Net OPEB Obligation (NOO) of \$1,940,000.

*Additional information on the County's long-term debt can be found in Note 3 on pages 47-52 of this report.*

**Infrastructure Assets Reported Under the Modified Approach**

The County is using the modified approach to account for the maintained road system. This method is in-lieu of the depreciation method used for all other assets. The County has set their average Pavement Condition Index (PCI) rating at 62. The rating must be achieved for each three year assessment period. The first three year assessment completed June 30, 2006, achieved on average of PCI rating of 67. As of June 30, 2008, the County's maintained road system was rated at an average PCI index of 66.

**COUNTY OF NEVADA  
Management's Discussion and Analysis  
Required Supplementary Information**

**Road System Infrastructure Assets Using Modified Approach  
Summary Activity for Fiscal Year ending June 30, 2008**

Expenditures	Capital Improvements	Preservation Maintenance	General Maintenance	Total Cost
Planned	1,809,000	2,338,068	243,495	4,390,563
Actual	1,335,344	3,407,548	2,726,774	7,469,666
Difference	-473,656	1,069,480	2,483,279	3,079,103

The differences for the unmet planned expenditures for the Capital improvements were related to several projects being rolled to the 2008/09 fiscal year and one project being put on hold.

Under the Preservation and General Maintenance categories, the actual costs exceeded the planned expenditures. The differences are due to the fact that the costs of labor, equipment, inventory and the annual striping contract were not included in the original planned amounts.

*Additional information on the County's use of the Modified Approach can be found in Required Supplementary Information (RSI) on page 68 of this report.*

**Economic Factors and Next Year's Budget for FY 2008-09**

The downturn of the economy continues to impact the County on a number of fronts. The State of California continues to struggle with its budget deficit which in turn hampers the County's ability to effectively plan for both the present and the future.

The housing crisis across the nation has had a tremendous effect on all sectors of the economy. The real estate sales activity has slowed and the market prices have dropped significantly in some areas. Data shows recent selling prices of homes in the area have been impacted by the general housing market trends with prices of local homes declining by 18.53% to a median price of \$365,000 as of October 2008. This is reflective in the growth rate in property tax revenues which has decreased from the prior year to 3.5%. The slump of the real estate market will effect the growth of revenue in this category for future years.

The sales and use tax revenue stream continues to decline as consumer confidence wanes and spending constricts. This has a direct effect on the 1/8% sales tax revenue source for the Library fund, as well as the County's direct share of various State allocations based on sales tax collections.

Nevada County unemployment rate increased to 7.2 % from 4.7% just a year ago, but remains lower than the statewide rate of 8.2%.

The fiscal year 2008-09 adopted budget for all County funds totals \$190,904,907 a 5% increase when compared to the prior year. The General Fund 2008-09 budget is \$63,944,148, which was a 4 % increase from the adopted 2007-08 budget.

*The 2008-09 budget documents are available on the County's website: [www.mynevadacounty.com](http://www.mynevadacounty.com) .*

**Request for Information**

This financial report is designed to provide a general overview of the County's finances for all those with an interest in the County's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Office of the Nevada County Auditor-Controller, Marcia L. Salter, 950 Maidu Avenue, Nevada City CA 95959. This entire report is available online at <http://new.mynevadacounty.com/auditor/>

**COUNTY OF NEVADA, CALIFORNIA**  
**RECONCILIATION OF THE GOVERNMENTAL FUND BALANCES**  
**TO THE GOVERNMENT-WIDE STATEMENT OF**  
**NET ASSETS - GOVERNMENTAL ACTIVITIES**  
**JUNE 30, 2008**

<b>Total Fund Balance - Total Governmental Funds</b>	<b>\$ 57,005,322</b>
Amounts reported for governmental activities in the statement of net assets are different because:	
Capital assets used in governmental activities are not financial resources and therefore are not reported in the governmental funds balance sheets.	256,917,256
Other long term assets are not available to pay for current period expenditures and therefore, are not reported in the funds or are reported as deferred in the governmental funds.	
Deferred revenue	1,704,953
Interest payable on long-term debt does not require the use of current financial resources and, therefore, is not accrued as a liability in the governmental funds balance sheets.	(202,931)
Certain liabilities are not due and payable in the current period and therefore, are not reported in the governmental funds.	
Bonds payable	(320,000)
Certificates of participation	(13,850,000)
Loans payable	(3,752,253)
Capital leases payable	(32,099)
Compensated absences	(5,058,861)
Net OPEB obligation	(1,940,000)
Internal service funds are used by management to charge the cost of certain activities, such as insurance and equipment maintenance and operations, to individual funds. The assets and liabilities of the internal service funds must be added to the statement of net assets.	<u>3,575,802</u>
<b>Net Assets of Governmental Activities</b>	<b><u>\$ 294,047,189</u></b>

The notes to the basic financial statements are an integral part of this statement.

**COUNTY OF NEVADA, CALIFORNIA**  
**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,**  
**AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE**  
**GOVERNMENT-WIDE STATEMENT OF ACTIVITIES - GOVERNMENTAL ACTIVITIES**  
**FOR THE YEAR ENDED JUNE 30, 2008**

<b>Net Change in Fund Balances - Total Governmental Funds</b>	<b>\$ 405,183</b>
Amounts reported for governmental activities in the Statement of Activities are different because:	
Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.	
Expenditures for capital outlay	4,621,251
Depreciation expense	(2,138,567)
Various adjustments affecting capital assets (including sales, trade-ins, and developer contributions)	(140,889)
Governmental funds only report the disposal of assets to the extent proceeds are received from the sale. In the statement of activities, a gain or loss is reported for each disposal. This is the cost of the capital assets disposed. There were no significant proceeds.	
	(694,037)
Debt proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net assets. Repayment of principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net assets.	
Principal retirements	1,044,532
Proceeds from issuance of debt	(32,750)
Some revenues reported in the statement of activities will not be collected for several months after the County's year end and do not provide current financial resources and therefore are not reported as revenues in the governmental funds.	
Change in accounts receivable	(930,866)
Change in deferred revenue	1,704,953
Some expenses reported in the statement of activities, do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds.	
Change in net OPEB obligation	(1,940,000)
Change in compensated absences payable	(662,185)
Change in accrued interest on long-term debt	(50,422)
Internal service funds are used by management to charge the cost of certain activities, such as insurance and equipment maintenance and operations, to individual funds. The net revenue (expense) of certain internal services funds is reported with governmental activities.	
	425,732
<b>Change in Net Assets of Governmental Activities</b>	<b>\$ 1,611,935</b>

The notes to the basic financial statements are an integral part of this statement.

**BASIC FINANCIAL STATEMENTS**  
Notes to Basic Financial Statements

**THIS PAGE INTENTIONALLY LEFT BLANK**

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 1: FINANCIAL REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Reporting Entity**

The County operates under an Administrator-Board of Supervisors form of government and provides various services on a county wide basis including law and justice, education, detention, social, health, fire protection, road construction, road maintenance, transportation, park and recreation facilities, elections and records, communications, planning, zoning and tax collection.

The accounting methods and procedures adopted by the County conform to generally accepted accounting principles as applied to governmental entities. These financial statements present the government and its component units, entities for which the government is considered to be financially accountable under the criteria set by Governmental Accounting Standards Board (GASB) Statement No. 14.

The governmental reporting entity consists of the County (Primary Government) and its component units. Component units are legally separate organizations for which the Board of Supervisors is financially accountable or other organizations whose component units nature and significant relationship with the County are such that exclusion would cause the County's financial statements to be misleading or incomplete. Financial accountability is defined as the appointment of a voting majority of the component unit's board, and (i) either the County's ability to impose its will on the organization or (ii) there is potential for the organization to provide a financial benefit to or impose a financial burden on the County.

Reporting for component units on the County's financial statements can be blended or discretely presented. Blended component units are, although legally separate entities, in substance part of the County's operations and, therefore, data from these units are combined with data of the primary government. Discretely presented component units, on the other hand, would be reported in a separate column in the government-wide financial statements to emphasize it is legally separate from the government.

For financial reporting purposes, the County's basic financial statements include all financial activities that are controlled by or are dependent upon actions taken by the County's Board. The financial statements of the individual component units may be obtained by writing to the County of Nevada, Auditor-Controller's Office, 950 Maidu Avenue, Nevada City, CA 95959.

The blended component units' governing bodies are substantively the same as the governing body of the primary government. Component units that are blended into the reporting activity types of the County's report are presented below:

Special Revenue Funds:

Nevada County Housing Authority  
Special Districts Governed by the Board of Supervisors

Debt Service Funds:

Special Assessment Debt with County Commitment  
Nevada County Finance Authority

Enterprise Funds:

Sanitation District

**B. Basis of Presentation**

**Government-Wide Financial Statements**

The statement of net assets and statement of activities display information on all of the nonfiduciary activities of the County, and its blended component units. Eliminations have been made to minimize the double counting of internal activities. These statements distinguish between the governmental and business-type activities of the County. Governmental activities, which are normally supported by taxes and inter-governmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees charged to external parties.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 1: FINANCIAL REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**B. Basis of Presentation (Continued)**

**Government-Wide Financial Statements (Continued)**

The statement of activities presents a comparison between direct expenses and program revenues for each different identifiable activity of the County's business-type activities and each function of the County's governmental activities. Direct expenses are those that are specifically associated with a program or function and; therefore, are clearly identifiable to a particular function. Certain indirect costs, which cannot be identified and broken down, are included in the program expense reported for individual functions and activities. Program revenues include (1) charges paid by the recipients of goods and services offered by the program, (2) operating grants and contributions, and (3) capital grants and contributions. Taxes and other items not properly included among program revenues are presented instead as general revenues.

**Fund Financial Statements**

Fund financial statements of the reporting entity are organized into funds, each of which is considered to be separate accounting entities. Each fund is accounted for by providing a separate set of self-balancing accounts that constitute its assets, liabilities, fund equity, revenues, and expenditures/expenses. Funds are organized into three major categories: governmental, proprietary, and fiduciary. An emphasis is placed on major funds within the governmental and proprietary categories. A fund is considered major if it is the primary operating fund of the County or meets the following criteria:

- Total assets, liabilities, revenues or expenditures/expenses of that individual governmental or enterprise fund are at least 10 percent of the corresponding total for all funds of that category or type; and
- Total assets, liabilities, revenues or expenditures/expenses of the individual governmental fund or enterprise fund are at least 5 percent of the corresponding total for all governmental and enterprise funds combined.

The County reports the following major governmental funds:

- The General Fund is used to account for all revenues and expenditures necessary to carry out basic governmental activities of the County that are not accounted for through other funds. For the County, the General Fund includes such activities as public protection, public ways and facilities, health and sanitation, public assistance, education, and recreation services.
- The Road Fund is a special revenue fund used to account for the revenues and expenditures for streets and road expansion.
- The Community Development Agency Fund is a special revenue fund used to account for the operation of community development programs.
- The Human Services Agency Fund is a special revenue fund used to account for revenues and expenditures for human service programs.
- The Health and Welfare Realignment Fund is a special revenue fund used to account for revenues and expenditures for public and mental health and social services programs.

The County reports the following major proprietary funds:

- The Western Nevada County Solid Waste Fund is an enterprise fund used to account for activity related to providing customers with solid waste management and billing for services provided by the County.
- The Airport Fund is an enterprise fund used to account for activity related to the County Airport and billing for services provided by the County.
- The Sanitation District Fund is an enterprise fund used to account for activity related to providing customers with sanitation management and billing for services provided by the County.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 1: FINANCIAL REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**B. Basis of Presentation (Continued)**

**Fund Financial Statements (Continued)**

The County reports the following additional fund types:

- Internal Service Funds account for the County's fleet maintenance and self insurance programs which provide services to other departments on a cost reimbursement basis.
- The Investment Trust Funds account for the assets of legally separate entities that deposit cash with the County Treasurer. The assets of these funds are held in trust for other agencies and are part of the County's external pool. The external investment pool is made up of five separate funds; Special Districts governed by Local Boards, School Districts, School Districts Debt Service, Courts and Jury/Witness and Local Transportation Authority. These funds account for assets, primarily cash and investments in the County's investment pool, owned by legally separate entities such as school and community colleges, special districts governed by local boards, regional boards and authorities, and pass through funds for tax collections for cities. The County is obligated to disburse monies from these funds on demand.
- Agency Funds account for the receipt and disbursement of various taxes, deposits, deductions, and property collected by the County, acting in the capacity of an agent for distribution to other governmental units or other organizations. The agency funds maintained by the County include two separate components.

Accrued Trust Funds - Accounts for property tax receipts awaiting apportionment to other local governmental agencies and investment earnings awaiting apportionment to other local government agencies.

County Departmental Agency - Accounts for all assets under the control of County departments which are held in a fiduciary capacity.

**C. Basis of Accounting and Measurement Focus**

The government-wide, proprietary funds and fiduciary funds financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. However, because agency funds only report assets and liabilities, they do not have a measurement focus. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Nonexchange transactions, in which the County gives (or receives) value without directly receiving (or giving) equal value in exchange, include property and sales tax, grants, entitlements, and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenues from sales tax are recognized when the underlying transactions take place. Revenues from grants, entitlements, and donations are recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. Revenues are considered to be available when they are collected within the current period or soon enough thereafter to pay liabilities of the current period. The County considers revenues reported in the governmental funds to be available if they are collected within sixty days after the end of the current fiscal year. Expenditures are generally recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures as well as expenditures related to claims and judgments are recorded only when payment is due. Governmental capital assets acquisitions are reported as expenditures in the various functions of the governmental funds. Proceeds of governmental long-term debt and acquisitions under capital leases are reported as other financing sources.

Property taxes, sales taxes, franchise taxes, grants, entitlements, special assessments and investment earnings associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues in the current fiscal period when they meet the measurable and available criteria. Fines, licenses and permits, and charges for services are considered to be measurable and available only when the County receives cash.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 1: FINANCIAL REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**C. Basis of Accounting and Measurement Focus (Continued)**

For its business-type activities and enterprise funds, the County has elected, under Governmental Accounting Standards Board (GASB) Statement No. 20, "Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities That Use Proprietary Fund Accounting", to apply all applicable pronouncements as well as any applicable pronouncements of the Financial Accounting Standards Board, the Accounting Principles Board or any Accounting Research Bulletins issued on or before November 30, 1989, unless those pronouncements conflict with or contradict GASB pronouncements. The County has elected not to follow subsequent private sector guidance. The GASB periodically updates its codification of the existing Governmental Accounting and Financial Reporting Standards which, along with subsequent GASB pronouncements (Statements and Interpretations), constitutes accounting principles generally accepted in the United States of America (GAAP) for government units.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the enterprise and internal service funds are charges to customers for sales and services. Operating expenses for enterprise and internal service funds include the cost of sales and services, administrative expenses, and depreciation of capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

**D. Cash and Cash Equivalents**

For purposes of the accompanying statement of cash flows, the County considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. All cash and investments, except cash with fiscal agent, of the proprietary fund types are pooled with the County's pooled cash and investments.

**E. Cash and Investments**

The County sponsors an investment pool that is managed by the County Treasurer. The Treasurer invests on behalf of most funds of the County and external participants in accordance with the California State Government Code and the County's investment policy. State statutes authorize the County to invest its cash surplus in obligations of the U.S. Treasury, agencies and instrumentalities, corporate bonds, medium term notes, bankers' acceptances, certificates of deposit, commercial paper, repurchase agreements, and the State of California Local Agency Investment Fund

Investment transactions are recorded on the trade date. Investments are reported at fair value which is determined using selected bases annually. The fair value represents the amount the County could reasonably expect to receive for an investment in a current sale between a willing buyer and seller. Short term investments are reported at cost, which approximates fair value. Securities traded on a national or international exchange are valued at the last reported sales price at current exchange rates. Cash deposits are reported at carrying amount which reasonably estimates fair value. Managed funds not listed on an established market are reported at the estimated fair value as determined by the respective fund managers based on quoted sales prices of the underlying securities.

Participant's equity in the investment pool is determined by the dollar amount of participant deposits, adjusted for withdrawals and distributed investment income. Investment income is determined on an amortized cost basis. Amortized premiums and accreted discounts, accrued interest, and realized gains and losses, net of expenses, are apportioned to pool participants each quarter. This method differs from the fair value method used to value investments in these financial statements, as unrealized gains or losses are not apportioned to pool participants. During the fiscal year ended June 30, 2008, the County Treasurer has not entered into any legally binding guarantees to support the value of participant equity in the investment pool.

Income from pooled investments is allocated to the individual funds or external participants based on the fund or participant's average daily cash balance at quarter end in relation to the total pool investments. Interest income earned in agency funds where there are no interest earnings requirements are assigned to the General Fund per County Policy. Income from non-pooled investments is recorded based on the specific investments held by the fund. The interest income is recorded in the fund that earned the interest.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 1: FINANCIAL REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**F. Receivables**

In the government-wide and proprietary fund financial statements, receivables consist of all revenues earned at year-end and not yet received. Allowances for uncollectible accounts receivable are based upon historical trends and the periodic aging of accounts receivable. Major receivable balances for the governmental activities include taxes, grants, and interest. Business-type activities report user fees and interest earnings as their major receivables.

In the fund financial statements, material receivables in governmental funds include revenue accruals such as taxes, grants, interest, and other similar intergovernmental revenues since they are usually both measurable and available. Nonexchange transactions collectible but not available are deferred in the fund financial statements in accordance with modified accrual, but not deferred in the government-wide financial statements in accordance with the accrual basis. Interest and investment earnings are recorded when earned only if paid within 60 days since they would be considered both measurable and available.

**G. Interfund Transactions**

Interfund transactions are reflected as either loans, services provided or used, reimbursements or transfers.

Loans reported as receivables and payables are referred to as either "due to/from other funds" (i.e. the current portion of interfund loans) or "advances to/from other funds" (i.e., the noncurrent portion of interfund loans) as appropriate and are subject to elimination upon consolidation. Any residual balances outstanding between the governmental activities and the business-type activities are reported in the government-wide financial statements as "internal balances". Advances between funds, as reported in the fund financial statements, are offset by a fund balance reserve account in applicable governmental funds to indicate that they are not available for appropriation and are not available financial resources.

Services provided or used, deemed to be at market or near market rates, are treated as revenues and expenditures or expenses.

Reimbursements occur when the funds responsible for particular expenditures or expenses repay the funds that initially paid for them. Such reimbursements are treated as an adjustment to expenditures or expenses; that is, a corresponding increase in expenditures or expenses in the reimbursing fund and a corresponding decrease in expenditures or expenses in the reimbursed fund.

All other interfund transactions are treated as transfers. Transfers between governmental and proprietary funds are netted as part of the reconciliation to the government-wide presentation.

See Note 3 for details of interfund transactions, including receivables and payables at year end.

**H. Inventory and Prepaid Costs**

Inventories are stated at average cost for governmental and proprietary funds. Inventory recorded by governmental funds includes materials and supplies for roads. Governmental fund inventories are recorded as expenditures at the time the inventory is consumed. Inventory recorded by proprietary funds includes supplies for internal service funds. Proprietary fund inventories are recorded as expenses at the time the inventory is consumed.

Certain payments to vendors reflect costs applicable to future accounting periods and are accounted for as prepaid costs.

**I. Loans Receivable**

For the purpose of the governmental fund financial statements, special revenue fund expenditures relating to long-term loans receivable arising from mortgage subsidy programs are charged to operations upon funding and the loans receivable are recorded. The balance of the long-term receivable includes loans that may be forgiven if certain terms and conditions of the loans are met.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 1: FINANCIAL REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**J. Capital Assets**

Capital assets, which include property, plant, equipment, and infrastructure assets (roads, bridges, sidewalks, sewer, and similar items), are reported in the governmental activities column in the government-wide financial statements. Capital assets are defined by the County as assets with a cost of more than \$5,000 for equipment and \$25,000 for structures and infrastructure and an estimated useful life of more than two years. Such assets are recorded at historical or estimated historical cost. Contributed capital assets are recorded at estimated fair market value at the date of donation.

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend the life of the asset are not capitalized.

The accounting treatment over property, plant, and equipment (capital assets) depends on whether the assets are used in governmental fund operations or proprietary fund operations and whether they are reported in the government-wide or fund financial statements.

**Government-Wide Financial Statements**

In the government-wide financial statements, property, plant, equipment and infrastructure (except for the maintained road system) are accounted for as exhaustible capital assets in the governmental or business-type activities column. All capital assets are valued at historical cost, or estimated historical cost if actual is unavailable, except for donated capital assets which are recorded at their estimated fair value at the date of donation.

Depreciation of all exhaustible capital assets is recorded as an allocated expense in the Statement of Activities, with accumulated depreciation reflected in the Statement of Net Assets. Depreciation is provided over the assets' estimated useful lives using the straight-line method of depreciation. The range of estimated useful lives by type of asset is as follows:

<u>Depreciable Asset</u>	<u>Estimated Lives</u>
Equipment	3-25 years
Structures and improvements	5-50 years
Infrastructure (except for the maintained road system)	20-75 years

The County has elected to use the modified approach to report its maintained road system. Under the modified approach depreciation is not reported for this system and all expenditures, except for betterments and major improvements, made to the system are expensed.

The County manages its maintained road system using the Metropolitan Transportation Commission's Pavement Management program (Program) and accounts for them using the modified approach. The Program establishes a Pavement Condition Index (PCI) on a scale from zero to one hundred (0-100) for each road segment being maintained by the Department of Public Works. The Program has defined the pavement of roads with PCIs of 40 or better to be in a "Fair" or better condition and roads with a PCI of 55 or better to be in a "Good" or better condition. The system-wide average PCI number for all paved or chip sealed roads in the County maintained road system is calculated on a weighted by section, road area basis. The amount that an individual road section's condition contributes to the overall system average rating is proportionate to the amount of the total systems surfaced area that the individual segment contains. It is the County's policy relative to maintaining the maintained road system to keep an average PCI rating of 62. This rating must be achieved over a three year period.

Maintenance and repairs are charged to operations when incurred. Betterments and major improvements which significantly increase values, change capacities or extend useful lives are capitalized. Upon sale or retirement of capital assets, the cost and related accumulated depreciation are removed from the respective accounts and any resulting gain or loss is included in the results of operations.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 1: FINANCIAL REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**J. Capital Assets (Continued)**

**Fund Financial Statements**

In the fund financial statements, capital assets used in governmental fund operations are accounted for as capital outlay expenditures of the governmental fund upon acquisition. Capital assets used in proprietary fund operations are accounted for the same as in the government-wide financial statements.

**K. Unearned Revenue/Deferred Revenue**

Unearned revenue is recorded for assets recognized in connection with a transaction before the earnings process is complete. Those assets are offset by a corresponding liability for unearned revenue. In addition, loans receivable for which repayment is deferred or for which the balance may be forgiven if certain terms and conditions of the loans are met have also been offset by unearned revenue.

Deferred revenue is recorded under the modified accrual basis of accounting when revenue which has been earned during the current period has met the measurable criteria but has not met the available criteria.

See Note 3 for details of unearned/deferred revenues at year end.

**L. Long-Term Debt**

The accounting treatment of long-term debt depends on whether the assets are used in governmental fund operations or proprietary fund operations and whether they are reported in the government-wide or fund financial statements.

All long-term debt to be repaid from governmental and business-type resources is reported as liabilities in the government-wide financial statements. The long-term debt consists primarily of certificates of participation, special assessment bonds with County commitment, loans, capital leases, and accrued compensated absences.

Long-term debt for governmental funds is not reported as liabilities in the fund financial statements. The debt proceeds are reported as other financing sources and payment of principal and interest is reported as expenditures. The accounting for proprietary funds is the same in the fund financial statements as it is in the government-wide financial statements.

**M. Compensated Absences**

It is the County's policy to permit employees to accumulate a limited amount of earned but unused vacation or personal paid leave. An unlimited amount of sick leave may be accrued in accordance with each bargaining unit's MOU and, upon separation from County's service, will either be paid to employees or converted to PERS service credit. In the government-wide financial statements the accrued compensated absences is recorded as an expense and related liability, with the current portion estimated based on historical trends. In the governmental fund financial statements the expenditures and liabilities related to those obligations are recognized only when they mature. In the proprietary funds the accrued compensated absences is recorded as an expense and related liability in the year earned. The County includes its share of social security and medicare taxes payable on behalf of the employees in the accrual for compensated absences.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 1: FINANCIAL REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**N. Fund Balances/Net Assets**

Equity is classified as net assets and displayed in three components:

- Invested in capital assets, net of related debt – Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction or improvement of those assets.
- Restricted net assets – Consists of net assets with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation. These principally include restrictions for capital projects, debt service requirements and other special revenue fund purposes.
- Unrestricted net assets – All other net assets that do not meet the definition of “restricted” or “invested in capital assets, net of related debt.”

When both restricted and unrestricted net assets are available, unrestricted resources are depleted first before the restricted resources are used.

In the governmental fund financial statements reserves and designations segregate portions of fund balance. Reservations of fund balance are for amounts that are not available or are legally restricted by outside parties for use for a specific purpose. Designations of fund balance are established by action of management and represent tentative plans that are subject to change.

As of June 30, 2008, reservations of fund balance included:

Debt Service - to reflect the funds held for future payment on debt principal and interest.

Encumbrances - to reflect the outstanding contractual obligations for which goods and services have not been received.

Inventory - to reflect the portion of assets which represent inventory and do not represent available spendable resources.

Advances - to reflect the amount due from other funds that are long-term in nature. Such amounts do not represent available spendable resources.

Loans Receivable - to reflect the portion of loans receivable which is long-term in nature. Such amounts do not represent available spendable resources.

As of June 30, 2008, designations of fund balance included:

Designated for General - to reflect the funds the County has set aside to fund subsequent year expenditures and projects not yet approved.

Designated for Leave Liability - to reflect the funds the County has set aside to fund subsequent payment to retire compensated absences.

Designated for PERS Pension - to reflect funds the County has set aside to fund future PERS costs.

Designated for Special Projects - to reflect the funds the County has set aside to fund subsequent projects.

Designated for General Plan Update - to reflect the funds the County has set aside to fund the General Plan update.

Designated for Realignment - to reflect the funds the County has set aside to fund subsequent potential State expenditures.

Designated for COP Lease Payment - to reflect the funds the County has set aside to fund subsequent COP Lease payments.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 1: FINANCIAL REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**N. Fund Balances/Net Assets (Continued)**

Designated for Civil Litigation - to reflect the funds the County has set aside to fund subsequent civil litigation.

Designated for Technology - to reflect the funds the County has set aside to fund subsequent upgrades.

As of June 30, 2008, the County's designations are reported in the financial statements as follows:

	<u>General</u>
Designated for:	
General	\$ 5,277,000
Leave liability	1,650,000
PERS pension	1,000,000
Special projects	6,170,000
General plan update	600,000
Realignment	300,000
COP	43,000
Civil litigation	40,000
Technology	993,000
Total	<u>\$ 16,073,000</u>

**O. Property Tax**

The State of California's (State) Constitution Article XIII A provides that the combined maximum property tax rate on any given property may not exceed 1 percent of its assessed value unless an additional amount for general obligation debt has been approved by voters. Assessed value is calculated at 100 percent of market value, as defined by Article XIII A, and may be adjusted by no more than 2 percent per year unless the property is sold or transferred. The State Legislature has determined the method of distribution of receipts from a 1 percent tax levy among the County, cities, school districts, and other districts.

The County of Nevada is responsible for assessing, collecting, and distributing property taxes in accordance with State law. Property taxes are levied on both secured (real property) and unsecured (personal property other than land and buildings) property. Supplemental property taxes are assessed upon transfer of ownership in property or completion of new construction.

The County levies, bills, and collects taxes as follows:

	<u>Secured</u>	<u>Unsecured</u>
Valuation/lien dates	January 1	January 1
Levy dates	January 1	January 1
Due dates	November 1 (1 <sup>st</sup> installment) February 1 (2 <sup>nd</sup> installment)	July 1
Delinquent dates	December 10 (1 <sup>st</sup> installment) April 10 (2 <sup>nd</sup> installment)	August 31

The County of Nevada apportions secured property tax revenue in accordance with the alternate methods of distribution, the "Teeter Plan", as described by Section 4717 of the California Revenue and Taxation code. Under the Teeter Plan, the County Auditor-Controller, an elected official is authorized to pay 100 percent of the property taxes billed (secured, supplemental, and debt service) to the taxing agencies within the County. The County recognizes property tax revenues in the period for which the taxes are levied. Previously, such taxes were allocated and paid as the taxes were collected.

To fund the advances, the County borrowed from its pooled cash and investments. The advances are secured by delinquent taxes receivable and will be repaid as delinquencies plus penalties (10 percent) and interest (18 percent) are collected. As of June 30, 2008, the outstanding net borrowing totaled \$8,902,179 and was recorded as a reduction of cash in the General fund.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 1: FINANCIAL REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**P. Grant Revenues**

Certain grant revenues are recognized when specific related expenditures have been incurred. In other grant programs, monies are virtually unrestricted as to purpose of expenditure and are only revocable for failure to comply with prescribed compliance requirements. These revenues are recognized at the time of receipt, or earlier if susceptible to accrual criteria is met. Cash received prior to incurrence of the related expenditure is recorded as unearned revenue.

**Q. Expenditures/Expenses**

In the government-wide financial statements, expenses are classified by function for both governmental and business-type activities.

In the fund financial statements, expenditures are classified as follows:

- Government Funds – By Character
  - Current (further classified by function)
  - Debt Service
  - Capital Outlay
- Proprietary Funds – By Operating and Nonoperating

**R. Estimates**

The preparation of basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**NOTE 2: STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY**

**A. Restatement of Fund Balance/Net Assets**

Adjustments resulting from errors or a change to comply with provisions of the accounting standards are treated as adjustments to prior periods. Accordingly, the County reports these changes as restatements of beginning fund balance/net assets. During the current year the County analyzed one agency fund and determined that it would be more correctly classified as an enterprise fund. In addition, an adjustment to net assets was required to correct a prior year misstatement of capital assets. The capital assets adjustment in governmental activities was due to errors in the calculation of depreciation on structures and improvements in the manual depreciation schedules used in prior years and an adjustment to infrastructure cost and accumulated depreciation to remove assets with a cost below the capitalization threshold. The capital assets adjustment in business-type activities was to capitalize assets acquired in a prior year that had not previously been capitalized and record the accumulated depreciation on those assets.

The impact of the restatements on the net assets on the government-wide financial statements as previously reported is presented below:

	<u>Governmental Activities</u>	<u>Business-Type Activities</u>
Net Assets, June 30, 2007, as previously reported	\$ 293,895,613	\$ 18,423,356
Adjustment associated with:		
Reclassification of funds	-	52,264
Correction of capital assets	( 1,460,359)	1,937,377
Total Adjustments	( 1,460,359)	1,989,641
Net Assets, July 1, 2008, as restated	<u>\$ 292,435,254</u>	<u>\$ 20,412,997</u>

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 2: STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY (CONTINUED)**

**A. Restatement of Fund Balance/Net Assets (Continued)**

The impact of the restatements on the net assets on the fund financial statements as previously reported is presented below:

	Sanitation District
Net Assets, June 30, 2007, as previously reported	\$ 19,655,762
Adjustment associated with:	
Reclassification of funds	52,264
Correction of capital assets	1,937,377
Total Adjustments	1,989,641
Net Assets, July 1, 2008, as restated	\$ 21,645,403

**B. Deficit Fund Balance/Net Assets**

The following major enterprise fund had deficit net assets:

The Western Nevada County Solid Waste fund had a net asset deficit of \$5,433,876, due to the post closure liability of \$13,137,837. The County has established a pledge of revenues consisting of parcel charges to demonstrate financial responsibility for postclosure maintenance in accordance with California Code of Regulations.

The following internal service fund had deficit net assets:

The Central Services fund had a net asset deficit of \$10,965, which is expected to be eliminated through cost containment.

**C. Rebutable Arbitrage**

The Tax Reform Act of 1986 instituted certain arbitrage restrictions with respect to the issuance of tax-exempt bonds after August 31, 1986. Arbitrage regulations deal with the investment of all tax exempt bond proceeds at an interest yield greater than the interest yield paid to bondholders. Generally, all interest paid to bondholders can be retroactively rendered taxable if applicable rebates are not reported and paid to the Internal Revenue Service (IRS) at least every five years. During the current year, the County performed calculations of excess investment earnings on various bonds and financing and at June 30, 2008, does not expect to incur a liability.

**D. Gann Spending Limitation**

Under Article XIII B of the California Constitution (the Gann Spending Limitation), the County is restricted as to the amount of annual appropriations from proceeds of taxes, and if proceeds of taxes exceed allowed appropriations, the excess must either be refunded to the State Controller or returned to the taxpayers through revised tax rates, revised fee schedules or other refund arrangements.

**E. Implementation of Governmental Accounting Standards Board Statements**

**GASB Statement No. 45**

For fiscal year ended June 30, 2008, the County has elected to early implement GASB Statement No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other than Pensions. This statement addresses how state and local governments should account for and report their costs and obligations related to postemployment healthcare and other nonpension benefits. These benefits are collectively referred to as other postemployment benefits (OPEB).

The GASB allows governments to apply this statement prospectively, establish the OPEB liability at zero at the beginning of the initial year of implementation, and does not require governments to fund the OPEB plans. The statement supersedes or amends all previous authoritative guidance on accounting and financial reporting for an employer's OPEB expense and related information.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 2: STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY (CONTINUED)**

**E. Implementation of Governmental Accounting Standards Board Statements (Continued)**

**GASB Statement No. 50**

The County implemented GASB Statement No. 50, Pension Disclosures. This statement, an amendment of GASB Statement No. 25 and No. 27, enhances the information disclosed in the notes to the financial statements or presented as required supplementary information (RSI). Statement No. 50 is intended to improve the transparency and decision usefulness of reported information about pensions by state and local governmental plans and employers, and conforms to the applicable changes adopted in Statement No. 45.

**NOTE 3: DETAILED NOTES**

**A. Cash and Investments**

The County sponsors an investment pool that is managed by the County Treasurer for the purpose of increasing interest earnings through investment activities. The investment pool is not registered with the Securities and Exchange Commission as an investment company. Investments made by the Treasurer are regulated by the California Government Code and by the County's investment policy. The objectives of the policy are in order of priority, safety, liquidity, yield and public trust. The Board of Supervisors review and approve the investment policy annually. The County Treasurer prepares and submits a comprehensive investment report to the members of the Board and the investment pool participants every month. The report covers the type of investments in the pool, maturity dates, par value, actual cost and fair value. All cash and investments with the exception of deposits with fiscal agents and investments with fiscal agents are considered a part of the investment pool.

The County sponsored investment pool includes both internal and external participants. The portion of the pool attributable to external pool participants, which are considered involuntary participants, are included in the primary government as an Investment Trust Fund which does not have separate financial reports. The State of California statutes require certain special districts and other governmental entities to maintain their cash surplus with the County Treasurer. The net assets value of involuntary participation in the investment pool totaled \$64,700,923 at June 30, 2008.

As of June 30, 2008, the County's cash and investments are reported in the financial statements as follows:

Primary government	\$ 67,137,557
Investment trust fund	64,700,923
Agency funds	<u>2,375,343</u>
Total Cash and Investments	<u>\$ 134,213,823</u>

As of June 30, 2008, the County's cash and investments consisted of the following:

Cash:	
Cash on hand	\$ 1,204,667
Deposits in Treasurer's Pool (less outstanding warrants)	8,093,423
Deposits with fiscal agents	<u>409,977</u>
Total Cash	<u>9,708,067</u>
Investments:	
In Treasurer's Pool	121,422,256
Investments with fiscal agents	<u>3,083,500</u>
Total Investments	<u>124,505,756</u>
Total Cash and Investments	<u>\$ 134,213,823</u>

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 3: DETAILED NOTES (CONTINUED)**

**A. Cash and Investments (Continued)**

**Cash**

At year end, the carrying amount of the County's cash deposits (including amount in checking accounts, money market accounts and deposits with fiscal agents) was \$8,503,400 and the bank balance was \$18,813,227. The difference between the bank balance and the carrying amount represents outstanding warrants and deposits in transit.

Custodial Credit Risk For Deposits - Custodial Credit Risk is the risk that, in the event of the failure of a depository financial institution, the County will not be able to recover its deposits or collateral securities that are in the possession of an outside party. The County's investment policy requires that deposits in banks must meet the requirements of the California Government Code. Under this code, deposits of more than \$100,000 must be collateralized at 105 percent to 150 percent of the value of the deposit to guarantee the safety of the public funds. The first \$100,000 of the County's deposits are insured by the Federal Deposit Insurance Corporation and the balance in excess of \$100,000 is fully collateralized.

**Investments**

As of June 30, 2008, the County had the following investments:

	Interest Rates	Maturities			Fair Value	Weighted Average Maturity (Years)
		0-1 year	1-5 years	Over 5 years		
<b>Pooled Investments</b>						
Commercial Paper	1.95-2.40%	\$ 19,963,650	\$ -	\$ -	\$ 19,963,650	0.01
Government Agency Securities	2.375-3.625%	-	57,458,606	-	57,458,606	2.11
Negotiable CD's	2.50%	10,000,000	-	-	10,000,000	0.52
Certificates of Deposit	2.43-3.06%	34,000,000	-	-	34,000,000	0.41
Total Pooled Investments		63,963,650	57,458,606	-	121,422,256	1.16
<b>Investments Held by Fiscal Agents</b>						
Corporate Notes	5.00%	-	-	945,000	945,000	5.76
IXIS	5.91%	2,138,500	-	-	2,138,500	-
Total Investments Held By Fiscal Agents		2,138,500	-	945,000	3,083,500	1.76
Total Investments		\$ 66,102,150	\$ 57,458,606	\$ 945,000	\$ 124,505,756	1.27

Interest Rate Risk - Interest rate risk is the risk of loss due to the fair value of an investment falling due to interest rates rising. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. Through its investment policy, the County manages its exposure to fair value losses arising from increasing interest rates by limiting the maturity of its investments to 5 years or less. Of the County's \$124,505,756 investment portfolio, over 99% of the investments have a maturity of one year or less. Of the remainder, less than 0.1% have a maturity of more than 5 years.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 3: DETAILED NOTES (CONTINUED)**

**A. Cash and Investments (Continued)**

Credit Risk - Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. State law and County investment policy limit investments in commercial paper to the rating of A1 by Standards and poor's or P1 by Moody's Investors Service. State law also limits investments in corporate bonds to the rating of A by both Standards & Poor's and Moody's Investors Service. The County does not have credit limits on U.S. government securities or U.S. government agency securities. The County's investment policy does not further limit its investment choices.

<u>Investments at June 30, 2008</u>	<u>Standard &amp; Poor's Rating</u>	<u>% of Portfolio</u>
Commercial paper	A-1	12.02%
Commercial paper	A-1+	4.01%
Federal Farm Credit Bank	AAA	26.37%
Federal Home Loan Bank	AAA	15.81%
Federal Home Loan Mortgage	AAA	3.97%
Corporate notes	AA	0.76%
Negotiable CD's	Unrated	8.03%
Certificates of Deposit	Unrated	27.31%
IXIS	Unrated	1.72%
Total		<u>100%</u>

Concentration of Credit Risk - Concentration of credit risk is the risk of loss attributed to the magnitude of the County's investment in a single issuer of securities. When investments are concentrated in one issuer, this concentration presents a heightened risk of potential loss. State law restricts the County's investments in commercial paper to 40% of its investment pool and to 10% per issuer and corporate notes and negotiable certificates of deposit to 30% of its investment pool and to 10% per issuer. Approximately 73% of the County's investments at year-end are in U.S. Government Agency securities and certificates of deposit. There is no limitation on amounts invested in these types of issues.

**County Investment Pool Condensed Financial Information**

A condensed statement of net assets and changes in net assets for the investment pool as of and for the year ended June 30, 2008 follows:

	<u>Internal Participants</u>	<u>External Participants</u>	<u>Total Pool</u>
<b>Statement of Net Assets</b>			
Cash on hand	\$ 1,204,667	\$ -	\$ 1,204,667
Deposits (Less outstanding warrants)	8,093,423	-	8,093,423

**C. Capital Assets (Continued)**

**Depreciation**

Depreciation expense was charged to governmental functions as follows:

General government	\$ 411,373
Public Ways and facilities	791,332
Public Protection	722,124
Health and sanitation	93,727
Public assistance	56,170
Education	<u>63,841</u>
Subtotal Governmental funds	2,138,567
Depreciation on capital assets held by the County's internal service funds are charged to the various functions based on their usage of the assets	<u>423,386</u>
Total Depreciation Expense – Governmental Functions	<u><u>\$ 2,561,953</u></u>

Depreciation expense was charged to business-type functions as follows:

Western Nevada County Solid Waste	169,960
Airport	297,650
Transit	214,039
Sanitation District	<u>657,767</u>
Total Depreciation Expense - Business-Type Functions	<u><u>\$ 1,339,416</u></u>

**Construction in Progress**

Construction in progress for governmental activities related primarily to work performed on Allison Ranch Road, Dog Bar Road, Magnolia Road, Brunswick Road, Duggans Road, Rough and Ready Highway, Washington Road, Wolf Road, Hirschdale Bridges, Maybert Bridge, Floriston bridge replacement, Purdon bridge replacement, Stinson Road culvert #2, Gold Country Drive drainage, and Alta Street sidewalk. Construction in progress for the business-type activities related primarily to work performed on Cascade Shores treatment facility upgrade, Lake Wildwood wastewater treatment plant upgrade, Lake of the Pines wastewater treatment plant upgrade, Penn Valley treatment facility upgrade, airport structure, MRTS redesign, and NSJ expansion project.

**Impairment Loss**

During the current year, the Sanitation District major enterprise fund recorded an asset impairment loss of \$584,122 for the Cascade Shores Wastewater Treatment Plant. The impairment is due to a change in the facility construction. Due to increasing costs the facility design that had been capitalized as construction in progress was scrapped and a prefab structure has replaced it.

Internal service funds predominately serve the governmental funds. Accordingly, long-term liabilities for these funds are included as part of the above totals for governmental activities. Estimated claims are liquidated by charges for services collected through individual internal service funds. The capital lease liability is liquidated by lease payments made by the departments leasing the equipment. Compensated absences for the governmental activities are generally liquidated by the fund where the accrued liability occurred.

Special assessment bonds with County commitment are not a direct responsibility of the County. Principal and interest payments are funded from the collection of special assessments. For the governmental activities, the debt is accounted for in the Special Assessment Debt with County Commitment Component Unit debt service fund. For the business-type activities, the debt is accounted for in the Sanitation District component unit enterprise fund. The County is obligated for special assessment debt only to the extent of special assessments collected.

	<u>Governmental</u> <u>Activities</u>	<u>Business-Type</u> <u>Activities</u>
At June 30, 2008, Certificates of Participation consisted of the following:		
2002 Issue Certificates of Participation, issued in the amount of \$21,385,000 and payable in annual installments of \$880,000 to \$1,660,000, with an interest rate of 4.05% to 5.25% and maturity date of June 30, 2020. These bonds were used to defease 1991 and 1993 Certificates of Participation financing the acquisition and construction of the County Administration building and the County jail.	\$ 13,850,000	\$ -
2002 Refunding of 1991 Certificates of Participation, issued in the amount of \$11,415,000, and payable in annual installments of \$475,000 to \$900,000 with an interest rate of 2.30% to 5.00% and maturity of June 30, 2021. These bonds were used to refund the 1991 Certificates of Participation which were used for landfill closure costs.	-	8,675,000

2024-2028	733,031	53,650	8,224,633	130,451	108,709	9,250,474
Total	<u>\$ 3,752,254</u>	<u>\$ 1,835,136</u>	<u>\$ 34,727,112</u>	<u>\$ 1,931,652</u>	<u>\$ 1,368,460</u>	<u>\$ 43,614,614</u>

**F. Leases**

**Operating Leases**

The County leases office buildings and equipment under non-cancellable operating leases. Total costs for these leases was \$799,703 for the year ended June 30, 2008. The future minimum lease payments are as follows:

Year Ended June 30	Lease Obligations
2009	\$ 267,007
2010	260,459
2011	259,385
2012	273,866
2013	281,948
Total	<u>\$ 1,342,665</u>

**Capital Leases**

The County has entered into certain capital lease agreements under which the related equipment will become the property of the County when all terms of the lease agreements are met.

	Stated Interest Rate	Present Value Of remaining Payments at June 30, 2008
Governmental activities	5.90% - 11.91%	\$ 48,378
Total		<u>\$ 48,378</u>

Equipment and related accumulated depreciation under capital lease are as follows:

	Governmental Activities
Equipment	\$ 87,322
Less: Accumulated depreciation	( 28,534)
Net Value	<u>\$ 58,788</u>

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 3: DETAILED NOTES (CONTINUED)**

**F. Leases (Continued)**

As of June 30, 2008, capital lease annual amortization is as follows:

Year Ended <u>June 30</u>	Governmental <u>Activities</u>
2009	\$ 21,466
2010	15,821
2011	14,733
2012	<u>1,548</u>
Total Requirements	53,568
Less Interest	<u>( 5,190)</u>
Present Value of Remaining Payments	<u>\$ 48,378</u>

**G. Closure/Post Closure**

The County is responsible for one closed and one inactive solid waste landfill site. State and federal laws and regulations require the County to place a final cover on its landfill sites when they stop accepting waste and to perform certain maintenance and monitoring functions at the landfill sites for thirty years after closure. GASB Statement No. 18 requires a portion of these closure and postclosure care costs be reported as an operating expense in each period based on landfill capacity used as of each statement of net assets date. Since the landfills are no longer accepting waste, the entire estimated expense and liability have been reported.

As of June 30, 2008, the County's estimated remaining liability for post closure maintenance costs for the closed landfill was \$13,137,837. The estimated remaining liability for closure of the inactive landfill was zero with \$114,069 estimated for postclosure maintenance. These estimates are based on the amount that would be paid if all equipment, facilities, and services required to close and/or monitor the landfills were acquired as of June 30, 2008. Actual costs may be higher due to inflation, change in technology, or changes in regulations.

The County is required by the California Code of Regulations to demonstrate financial responsibility for post closure maintenance costs through a pledge of revenues. The County has met this requirement for the closed landfill through a pledge of annual parcel charges. A pledge of the remaining fund balance for the inactive landfill is pending approval by the California Integrated Waste Management Board.

**H. Interfund Transactions**

**Due To/From Other Funds**

During the course of operations, transactions occur between funds to account for goods received or services rendered. These receivables and payables are classified as due from or due to other funds. In addition, when funds overdraw their share of pooled cash, the receivables and payables are also classified as due from or due to other funds. The following are due from and due to balances as of June 30, 2008:

	Due From <u>Other Funds</u>	Due To <u>Other Funds</u>
General fund	\$ 2,411,448	\$ 405,336
Road fund	251,672	127,204
Community Development Agency	304,999	54,135
Human Services Agency	1,551,996	447,328
Health and Welfare Realignment	21,211	935,207
Nonmajor Governmental funds	835,591	3,566,518
Western Nevada County Solid Waste	37,426	136,021
Airport	33,504	540
Sanitation District	1,519,772	1,525,949
Nonmajor Enterprise funds	6,163	63,636
Internal Service Funds	<u>488,205</u>	<u>200,113</u>
Total	<u>\$ 7,461,987</u>	<u>\$ 7,461,987</u>

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 3: DETAILED NOTES (CONTINUED)**

**H. Interfund Transactions (Continued)**

**Advances To/From Other Funds**

Advances to/from other funds are non-current interfund loans and are offset by a fund balance reserve account in applicable governmental funds to indicate they are not available for appropriations and are not expendable available financial resources. The following are advances to/from other funds as of June 30, 2008:

	<u>Advance to Other Funds</u>	<u>Advance from Other Funds</u>
General fund	\$ 97,000	\$ -
Nonmajor Governmental funds	219,739	219,739
Airport	-	93,000
Sanitation District	-	4,000
	<u>                    </u>	<u>                    </u>
Total	<u>\$ 316,739</u>	<u>\$ 316,739</u>

**Transfers**

Transfers are indicative of funding for capital projects, lease payments or debt service, reimbursement of various County operations and re-allocations of special revenues. The following are the interfund transfer balances as of June 30, 2008:

	<u>Transfer In</u>	<u>Transfer Out</u>
General fund	\$ 8,177,686	\$ 8,408,933
Road fund	4,438,921	-
Community Development Agency	2,443,740	262,423
Human Services Agency	9,100,757	3,883
Health and Welfare Realignment	127,268	8,296,826
Nonmajor Governmental funds	5,105,931	13,111,085
Western Nevada County Solid Waste	16,246	-
Airport	29,908	-
Sanitation District	614,211	-
Internal Service funds	44,728	16,246
	<u>                    </u>	<u>                    </u>
Total	<u>\$ 30,099,396</u>	<u>\$ 30,099,396</u>

**NOTE 4: EMPLOYEES' RETIREMENT PLAN**

**Plan Description**

The County contributes to the California Public Employees Retirement System (PERS), an agent multiple-employer public employee defined benefit plan. PERS provides retirement and disability benefits, annual cost of living adjustments, and death benefits to plan members and beneficiaries. PERS acts as a common investment and administrative agent for participating public entities within the State of California. Benefit provisions and all other requirements are established by statute. Copies of PERS' annual financial report may be obtained from their executive office – 400 P Street, Sacramento, CA 95814.

**Funding Policy**

Miscellaneous plan members are required to contribute 8 percent of their annual covered salary. Safety plan members are required to contribute 9 percent of their annual covered salary. The County is required to contribute the actuarially determined remaining amounts necessary to fund the benefits for its members. The County has committed to contribute a portion of the required employee contribution in addition to their own required contributions. The actuarial methods and assumptions used are those adopted by the PERS Board of Administration. The required employer contribution rate for fiscal year 2007/2008 was 18.198 percent for miscellaneous employees and 31.458 percent for safety employees. The contribution requirements of the plan are established by State statute and the employer contribution rate is established and may be amended by PERS. The County is required to contribute the remaining amounts necessary to fund the benefits of its members using the actuarial basis adopted by the PERS Board of Administrators.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 4: EMPLOYEES' RETIREMENT PLAN (CONTINUED)**

**Annual Pension Cost**

For fiscal year 2007/2008, the County's annual pension cost of \$8,351,103 for the miscellaneous plan and \$1,557,114 for the safety plan was equal to the County's required and actual contributions. The required contribution was determined as part of the June 30, 2005, actuarial valuation using the entry age normal actuarial cost method. The actuarial assumptions included (a) 7.75 percent investment rate of return (net of administrative expenses), (b) projected annual salary increases of 3.25 percent to 14.45 percent for miscellaneous plan and 3.25 percent to 14.45 percent for safety plan, depending on age, service, and type of employment, and (c) 3.25 percent per year cost of living adjustment. Both (a) and (b) included an inflation component of 3.00 percent. The actuarial value of PERS assets was determined using techniques that smooth the effect of short term volatility in the market value of investments over a three-year period (smoothed market value). Pers unfunded actuarial accrued liability is being amortized as a level percentage of projected payroll on a closed basis. Initial unfunded liabilities are amortized over a closed period that depends on the plan's date of entry into PERS. Subsequent plan amendments are amortized as a level percentage of pay over a closed 20 year period. The table below presents three-year trend information.

<u>Fiscal Year Ending</u>	<u>Annual Pension Cost (APC)</u>	<u>Percentage of APC Contributed</u>	<u>Net Pension Obligation</u>
June 30, 2006	\$ 6,171,136	100%	-
June 30, 2007	8,729,365	100%	-
June 30, 2008	9,908,217	100%	-

**Funded Status and Funding Progress**

As of June 30, 2007, the most recent actuarial valuation date, the miscellaneous plan was 79.8 percent funded. The actuarial accrued liability for benefits was \$248,063,046, and the actuarial value of assets was \$197,968,605, resulting in an unfunded actuarial accrued liability (UAAL) of \$50,094,441. The covered payroll (annual payroll of active employees covered by the plan) was \$45,650,537, and the ratio of the UAAL to the covered payroll was 109.7 percent.

Since the safety plan has less than 100 active members in at least one valuation since June 30, 2003, it is required to participate in a risk pool and does not present individual plan funded status.

The schedule of funding progress, presented as RSI following the notes to the financial statements, presents multi-year trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

**NOTE 5: POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS**

**Plan Description**

The County of Nevada provides, under a defined benefit plan, retiree healthcare benefits to qualifying employees retiring directly from the County. The benefit level is determined by date of hire and length of service. The County has contracted for medical coverage to be provided through an agent multiple-employer CalPERS Healthcare (PEHMCA) plan.

The County pays the least expensive available plan single premium up to Medicare eligible age for retirees with more than 20 years of County Service. For employees hired before July 1, 2000, with less than 20 years of County service at retirement, receive a fixed stipend amount. After reaching Medicare eligible age, the County also pays 80% of the least expensive Medicare supplemental plan single premium for all retirees hired before July 1, 2000 and for employees hired after July 1, 2000 with 20 years of County service. For safety employees with disability retirement, the County pays 100% of the least expensive medical single premium for life.

Employees Hired On or After July 1, 2008—Employees hired on or after July 1, 2008, and who retire from the County, the County will continue to provide access to medical insurance coverage for those employees who retire from employment with the County and who constitute "annuitants" as defined by the Public Employees Medical and Hospital Care Act (PEMHCA) only.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 5: POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS (CONTINUED)**

**Funding Policy**

The minimum employer contribution requirement is a per participant amount contributed by the County and which is established and amended by the plan administrators, the CalPERS Board of Trustees, for the PEHMCA plan. The fixed stipend amount is a negotiated benefit between the County and the various employee bargaining groups. The County has adopted a 5-year phase-in funding plan for the Annual Required Contribution (ARC). The actuarially determined ARC amount represents the level of funding that, if paid on an ongoing basis, is projected to cover the normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years. The 2007-08 contribution equals 5% of annual covered payroll and is equal to the pay-as-you-go cost plus 20% between the full pre-funding ARC and the pay-as-you-go. The second year will be 40% of the difference and each proceeding year increasing equally to reach the 100% full funding after 5 years. The County has established an irrevocable trust with CalPERS- California Employers' Retiree Benefit Trust Fund (CERBT) to deposit the contributions above the current year pay-as-you-go portion.

**Annual OPEB Cost**

The County's OPEB cost (expense) is calculated based on the annual required contribution of the employer (ARC). The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess). (The following table shows the County's annual OPEB cost for the year, the amount actually contributed to the plan, and the resulting net OPEB obligation.)

Annual required contribution	\$ 4,002,000
Contributions made:	
Pay as you go contribution	1,462,000
Funding of full ARC Contribution	<u>600,000</u>
Net OPEB Obligation	<u>\$ 1,940,000</u>

The County annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for the year ended June 30, 2008, was as follows:

Fiscal Year Ended	Annual OPEB Cost	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation
6/30/2008	\$ 4,002,000	51.5%	\$1,940,000

The quantifications of costs set forth above should not be interpreted in any way as vesting such benefits: rather the disclosures are made solely to comply with the County's reporting obligations under GASB 45, as the County understands these obligations.

**Funded Status and Funding Progress**

The funded status of the plan as of June 30, 2008, was as follows:

Actuarial accrued liability (AAL)	\$ 35,208,000
Actuarial value of plan assets	<u>0</u>
Unfunded actuarial accrued liability (UAAL)	<u>\$ 35,208,000</u>
Funded ratio (actuarial value of plan assets/AAL)	0.00%
Covered payroll (active plan members)	<u>\$ 41,158,000</u>
UAAL as a percentage of covered payroll	85.5%

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information (RSI) following the notes to the financial statements, presents the initial information for this transition year. In subsequent years, the RSI schedule will present multi-year trend information that will show whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 5: POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS (CONTINUED)**

**Actuarial Methods and Assumptions**

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of the valuations and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations. In the June 30, 2006, actuarial valuation, the entry age normal actuarial cost method was used. The actuarial assumptions included a 4.25% investment return (net of investment expenses), and annual healthcare cost trends for HMO and PPO that start with 10.4% and 11.3%, respectively, and declines to 4.5% over ten years for both plan types. The actuarial assumptions included an annual 3.0% inflation rate and a 3.25% per annum aggregate payroll increases.

**NOTE 6: RISK MANAGEMENT**

The County is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The County has Risk Management Funds (Internal Service Funds) to account for and finance self-insured risks of loss for public liability, unemployment, dental, and vision. The County is a member of the California State Association of Counties of California Excess Insurance Authority, a public entity risk pool currently operating as a common risk management and insurance program for Counties. Should actual loss among participants be greater than anticipated, the County will be assessed its pro rata share of the deficiency. Conversely, if the actual losses are less than anticipated, the County will be refunded its pro rata share of the excess.

The County is a member of the County Supervisors Association of California Excess Insurance Authority, a public entity risk pool currently operating as a common risk management and insurance program for Counties. The Authority is solvent. Under this program, the Risk Management Funds provide coverage for up to a maximum of \$100,000 for each general liability claim, and \$10,000 for each unemployment claim.

Should actual loss among participants be greater than anticipated, the County will be assessed its prorata share of the deficiency. Conversely, if the actual losses are less than anticipated, the County will be refunded its prorata share of the excess. Settled claims have not exceeded commercial coverage in any of the past three fiscal years.

Actual claims unpaid as of June 30, 2008, including any estimates for incurred but not reported (IBNR) amounts, constitute claims payable. The claims liability at June 30, 2008, was as follows:

Unemployment Liability	\$ 338,191
	<u>503,000</u>
Total	<u>\$ 841,191</u>

All funds of the County participate in the program and make payments to the Risk Management Funds based on estimates of the amounts needed to pay prior and current year claims. At June 30, 2008, the Risk Management Fund's fund equity was \$2,099,672. The claims liability of \$841,191 reported in the funds at June 30, 2008, is based on the requirements of Governmental Accounting Standards Board Statement No. 10, which requires that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably determined.

Changes in the County's claims liability amount for the fiscal years 2006, 2007, and 2008 were as follows:

	Balance at Beginning of Fiscal Year	Current Year Claims and Changes in Estimates	Claims Payments	Balance at End of Fiscal Year
2006	\$ 954,908	\$ 1,331,465	\$ 1,520,828	\$ 765,545
2007	765,545	892,301	968,648	689,198
2008	689,198	1,225,799	1,073,806	841,191

The ultimate settlement of specific claims against the County cannot presently be determined and no provision for any other liability that may result has been made in the financial statements.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 7: OTHER INFORMATION**

**A. Construction Commitments**

The County had active construction projects as of June 30, 2008, including improvements to the Wayne Brown Correctional Facility, road safety improvements and storm damage repair, bridge replacement and rehabilitation and upgrades to existing wastewater treatment plants to comply with new regulatory requirements. At year end the County's commitments with contractors are as follows:

<u>Project</u>	<u>Spent-to-Date</u>	<u>Remaining Commitment</u>
County facility improvements	\$ -	\$ 73,150
Road infrastructure	438,197	644,687
Bridge replacement and rehabilitation	571,131	1,228,538
Wastewater treatment facility upgrades	32,012,144	9,545,879

The wastewater treatment projects are financed with long-term debt to be repaid from special assessments.

**B. Contingent Liabilities**

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the government expects such amounts, if any, to be immaterial.

The County is involved in several lawsuits. Due to the nature of the cases, County Counsel is unable to estimate at this time the probability of favorable or unfavorable outcomes. Therefore, no provision has been made in the financial statements for a loss contingency.

**C. Subsequent Events**

As of June 30, 2008, the County's investment pool included some investments for which the fair value may have declined since the June 30<sup>th</sup> value listed in these financial statements. Any decrease in fair market value will be reflected as a reduction in investment earnings as realized. The amount of this decrease is not expected to exceed investment earnings in any period.

**D. Joint Agencies**

The CSAC Excess Insurance Authority is a joint powers authority organized for the purpose of developing and funding excess insurance programs for member counties. The Authority operates public entity risk pools for workers' compensation, comprehensive liability, property, and medical malpractice, and the pool purchases excess insurance and services for members. The Authority is under the control and direction of a board of directors consisting of representatives of the fifty member counties. There is no significant financial interest or ongoing financial responsibility on the part of the County with this Authority.

Complete audited financial statements for CSAC Excess Insurance Authority can be obtained from the Authority's office at 3017 Gold Canal Drive, Suite 300, Rancho Cordova, California 95670.

**E. New Accounting Pronouncements**

The Governmental Accounting Standards Board (GASB) has released the following new standards:

Statement No. 49, Accounting and Financial Reporting for Pollution Remediation Obligations, issued in November 2006. This Statement establishes accounting and financial reporting standards for pollution (including contamination) remediation obligations, which are obligations to address the current or potential detrimental effects of existing pollution by participating in pollution remediation activities such as site assessments and cleanups. The Statement establishes once any of five specified obligating events occurs, that a government is required to estimate the components of the expected pollution remediation outlays and determine whether the outlays for those components should be recorded as a liability or, if appropriate, capitalized when goods and services are acquired. GASB Statement No. 49 is effective for financial statements for years beginning after December 15, 2007.

**COUNTY OF NEVADA, CALIFORNIA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**NOTE 7: OTHER INFORMATION (CONTINUED)**

**E. New Accounting Pronouncements (Continued)**

Statement No. 51, Accounting and Financial Reporting for Intangible Assets requires that all intangible assets not specifically excluded by its scope provisions be classified as capital assets. Accordingly, existing authoritative guidance related to the accounting and financial reporting for capital assets should be applied to these intangible assets, as applicable. This Statement also provides authoritative guidance that specifically addresses the nature of these intangible assets. Such guidance should be applied in addition to the existing authoritative guidance for capital assets. GASB Statement No. 51 is effective for financial statements for years beginning after June 15, 2009.

Statement No. 52, Land and Other Real Estate Held as Investments by Endowments improves the quality of financial reporting by requiring endowments to report their land and other real estate investments at fair value, creating consistency in reporting among similar entities that exist to invest resources for the purpose of generating income. GASB Statement No. 52 is effective for financial statements for years beginning after June 15, 2008.

Statement No. 53, Accounting and Financial Reporting for Derivative Instruments addresses the recognition, measurement, and disclosure of information regarding derivative instruments entered into by state and local governments. Derivative instruments are often complex financial arrangements used by governments to manage specific risks or to make investments. By entering into these arrangements governments receive and make payments based on market prices without actually entering into the related financial or commodity transactions. Derivative instruments associated with changing financial and commodity prices result in changing cash flows and fair values that can be used as effective risk management or investment tools. Derivative instruments, however, also can expose governments to significant risks and liabilities. Common types of derivative instruments used by governments include interest rate and commodity swaps, interest rate locks, options (caps, floors, and collars), swaptions, forward contracts and futures contracts. GASB Statement No. 53 is effective for financial statements for years beginning after June 15, 2009.

Cumulative effect of reclassification of 10% shift -

**Fund Balances - Ending - GAAP Basis** **\$ 6,447,836**

See accompanying note to the required supplementary information.

**COUNTY OF NEVADA, CALIFORNIA**  
**REQUIRED SUPPLEMENTARY INFORMATION**  
**NOTES TO REQUIRED SUPPLEMENTARY INFORMATION**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**A. SCHEDULE OF FUNDING PROGRESS - PENSION**

The Schedule of Funding Progress - Pension presents a consolidated snapshot of the County's ability to meet current and future liabilities with the plan assets. Of particular interest to most is the funded status ratio. This ratio conveys a plan's level of assets to liabilities, an important indicator to determine the financial health of the pension plan. The closer the plan is to a 100% funded status, the better position it will be in to meet all of its future liabilities.

The County of Nevada has less than 100 active employee members in its Safety Plan and is required to participate in a risk pool. Therefore, the individual plan funded status is not presented.

**B. SCHEDULE OF FUNDING PROGRESS - OTHER POSTEMPLOYMENT BENEFITS**

The Schedule of Funding Progress - Other Postemployment Benefits provides a consolidated snapshot of the County's ability to meet current and future liabilities with the plan assets. Of particular interest to most is the funded status ratio. This ratio conveys a plan's level of assets to liabilities, an important indicator to determine the financial health of the OPEB plan. The closer the plan is to a 100% funded status, the better position it will be in to meet all of its future liabilities.

**C. BUDGETARY BASIS OF ACCOUNTING**

In accordance with the provisions of Sections 29000 and 29143, inclusive, of the California Government Code and other statutory provisions, commonly known as the County Budget Act, the County prepares a budget for each fiscal year on or before August 30. Budgeted expenditures are enacted into law through the passage of an Appropriation Ordinance. This ordinance mandates the maximum authorized expenditures for the fiscal year and cannot be exceeded except by subsequent amendments to the budget by the County's Board of Supervisors.

The County follows these procedures annually in establishing the budgetary data reflected in the financial statements:

- (1) The County Executive Officer submits to the Board of Supervisors a proposed draft budget for the fiscal year commencing the following July 1. The budget includes proposed expenditures and the means of financing them.
- (2) The Board of Supervisors reviews the proposed budget at regularly scheduled meetings, which are open to the public. The Board also conducts a public hearing on the proposed budget to obtain comments from interested persons.
- (3) Prior to July 1, the budget is adopted through the passage of a resolution.
- (4) From the effective date of the budget, which is adopted and controlled at the service budget unit, the amounts stated therein, as proposed expenditures become appropriations to the various County service budget units. The Board of Supervisors may amend the budget by motion during the fiscal year. The County Administrative Officer may authorize transfers from one object or purpose to another within the same service budget unit.

Formal budgetary integration is employed as a management control device during the year. The County presents a comparison of annual budgets to actual results for the County's General, Special Revenue and Debt Service funds. The amounts reported on the budgetary basis are generally on a basis consistent with accounting principles generally accepted in the United States of America (GAAP). The 01-HOME-0553 and CSA 14 Zone 2 Creekview R/M nonmajor special revenue funds did not have a legally adopted budget.

The County uses an encumbrance system as an extension of normal budgetary accounting for the general and other governmental funds. Under this system, purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of applicable appropriations. Encumbrances outstanding at year end are recorded as reservations of fund balance since they do not constitute expenditures or liabilities. Unencumbered appropriations lapse at year-end. Encumbered appropriations are carried forward in the ensuing year's budget.

**COUNTY OF NEVADA, CALIFORNIA**  
**REQUIRED SUPPLEMENTARY INFORMATION**  
**NOTES TO REQUIRED SUPPLEMENTARY INFORMATION**  
**FOR THE YEAR ENDED JUNE 30, 2008**

**D. INFRASTRUCTURE ASSETS REPORTED USING THE MODIFIED APPROACH**

The County's infrastructure assets are recorded at historical cost in the government-wide financial statements as required by the Governmental Accounting Standards Board (GASB) Statement No. 34. The County has elected to use the modified approach to report its maintained road system. Infrastructure assets reported under the modified approach are not subject to depreciation per GASB Statement No. 34.

The County manages its maintained road system using the Metropolitan Transportation Commission's Pavement Management program (Program) and accounts for them using the modified approach. The Program establishes a Pavement Condition Index (PCI) on a scale from zero to one hundred (0-100) for each road segment being maintained by the Department of Public Works. The Program has defined the pavement of roads with PCIs of 40 or better to be in a "Fair" or better condition and roads with a PCI of 55 or better to be in a "Good" or better condition. The system-wide average PCI number for all paved or chip sealed roads in the County maintained road system is calculated on a weighted by section, road area basis. The amount that an individual road section's condition contributes to the overall system average rating is proportionate to the amount of the total systems surfaced area that the individual segment contains. It is the County's policy relative to maintaining the maintained road system to keep an average PCI rating of 62. This rating must be achieved over a three year period.

One third of the County maintained roads are assessed each year, with a complete condition assessment calculated every three years. The last complete condition assessment was completed in fiscal year 2006. As of June 30, 2006, the County's road system was rated at a PCI of 65.

As of June 30, 2008, the County's road system was rated at a PCI of 66. A three year history of the PCI ratings for the County maintained roads as of June 30, 2008 is provided below:

	<u>2008</u>	<u>2007</u>	<u>2006</u>	<u>3 Year Average</u>
PCI Index	66.00	65.00	65.00	65.00

For the year ended June 30, 2008, actual maintenance and preservation costs were \$6,134,322, which was \$3,552,759 or 57% greater than estimated. The increase was due to the fact that the cost of labor, equipment, inventory and the annual striping contract were not included in planned maintenance and preservation cost. A five year history of planned to actual maintenance and preservation costs is provided below.

<u>Fiscal Year</u>	<u>Maintenance &amp; Preservation Cost</u>		
	<u>Estimated Costs</u>	<u>Actual Costs</u>	<u>Variance</u>
2004	\$ 4,083,793	\$ 3,887,933	\$ 195,860
2005	1,974,249	2,676,307	( 702,058)
2006	3,698,191	4,868,759	( 1,170,568)
2007	3,112,954	5,652,819	( 2,539,865)
2008	2,581,563	6,134,322	( 3,552,759)

**NONMAJOR GOVERNMENTAL FUNDS**  
Special Revenue Funds

**THIS PAGE INTENTIONALLY LEFT BLANK**

## **COUNTY OF NEVADA, CALIFORNIA NONMAJOR SPECIAL REVENUE FUNDS**

Special revenue funds are used to account for revenues that are restricted by law or administrative action and expenditures for specified purposes. Nonmajor special revenue funds used by the County are listed below:

- **FISH AND GAME**  
The fund provides for expenditures, which are used for the protection and propagation of fish and game. Revenues are from the County's share of fines collected for violations of fish and game laws.
- **CHILD SUPPORT SERVICES**  
The fund provides for services to establish paternity, obtains and enforces court orders for child support, collects and distributes payments, and provides community outreach about those services for the benefit of minor children.
- **COUNTY-WIDE TECH PROJECTS**  
The fund provides for technological projects that benefit the entire County.
- **RECYCLED OIL BLOCK GRANT**  
The fund was established to maintain local used oil collection programs that encourage recycling or facilitate disposal of used oil.
- **PROBATION FIRE INSURANCE ADMIN GRANT**  
The fund provides for the administration of the insurance claims relating to the Probation Department Fire on March 20, 2002.
- **ST/COUNTY PROPERTY TAX ADMIN GRANT**  
State Department of Finance Revenue and Tax Code section 95.35 provides participation in the State/County Property Tax Administration Grant Program to supplement other funding for property tax administration.
- **MOTOR VEHICLE LICENSE**  
The fund is used to deposit all Motor Vehicle License Fees in accordance with Measure F passed by voters in March 1996.
- **PUBLIC LIBRARY**  
The fund finances public library services for 3 branches and 2 stations located in the unincorporated and incorporated areas within the County.
- **INET MAINTENANCE**  
The fund was established for an institutional network to support public, education and governmental television programming.
- **WORKERS' COMPENSATION**  
The fund provides claims management and pays the premium costs for workers' compensation.
- **NONMAJOR HUMAN SERVICE AGENCY**
  - **PROPOSITION 36 SACPA**  
The fund was established for the deposit of Proposition 36 funds to allow the Human Services Agency to proceed with the Substance Abuse and Crime Prevention Act Plan.
  - **CHILDREN'S SYSTEM OF CARE**  
The fund provides for a comprehensive, coordinated interagency children's system of care which provides the highest benefit to children and adolescents with serious emotional problems.
  - **CBFRP COMMUNITY BASED FAMILY PROGRAM**  
The fund was established to develop and implement a county-wide system of community based family resource services.
  - **SIERRA COUNTY ALCO PC 1463.16**  
The fund was established per Penal Code 1463.16 for the County's (Sierra County) Alcohol Program Plan which is submitted to the State Department of Alcohol and Drug Programs.
  - **NEVADA COUNTY CO ALCO PC 1463.16**  
The fund was established per Penal Code 1463.16 for the County's Alcohol Program Plan which is submitted to the State Department of Alcohol and Drug Programs.

# COUNTY OF NEVADA, CALIFORNIA NONMAJOR SPECIAL REVENUE FUNDS

## **DRUG EDUCATION TRUST**

The fund was established per Health and Safety Code 11372.7 to maintain a drug program fund, amounts to be deposited into the fund shall be allocated by the administrator of the County's Drug Program.

## **ALCOHOL EDUCATION PG PC 1463.25**

The fund was established per Penal Code 1463.25 pursuant to Vehicle Code Section 23196 and utilized pursuant to Health and Safety Code Section 11802, amounts deposited into the fund shall be allocated by the administrator of the County's Drug Program.

## **EMERGENCY MEDICAL SERVICES**

The fund was established to support emergency medical services pursuant to Chapter 2.5, Division 2.5 of the Health and Safety Code.

## **CALWORKS PERFORM INCENTIVE**

The fund was established to administer the Calworks Incentive Program in accordance with the County Fiscal Letter (CFL) No. 98/99-36, dated September 21, 1998.

## **LOCAL BIOTERRORISM PREPAREDNESS**

The fund accounts for funding from CA. Dept. of Health Services for public health emergency preparedness including pandemic influenza and other potential emergencies.

## **CHILDREN'S TRUST AB-2994**

The fund was established pursuant to Assembly Bill 2994 for child abuse prevention and treatment services.

## **HEALTH - VRIP**

The fund provides for the Vital Records Improvement Program.

- **ADMINISTRATION**

## **FOREST RESERVES**

The fund provides for disbursement of Title III funds at the County's discretion as long as the projects meet the requirements established in the law. Examples of authorized uses are: search, rescue and emergency services to reimburse a County or Sheriff's department for services performed on Federal lands; easement purchases to provide access to public lands; forest related educational opportunities and fire prevention planning.

## **DRYDEN WILSON**

The fund provides for the distribution of a gift from the Dryden J. Wilson Trust. The gift is to be used for the furtherance and preservation of open space land and other recreational uses. The remaining \$50,000 has been allocated for the acquisition of parkland in the North San Juan Area of the County.

## **WILDWOOD ESTATES ESCROW ACCOUNT**

The fund is used to capture the monies received and disbursed pursuant to the Net Sale Proceeds Agreements for the Wildwood Estates Bond Counsel and Financial Advisor Agreement.

## **COMMUNITY FACILITIES DISTRICT #1990-1 WILDWOOD ESTATES**

The fund accounts for the restricted proceeds of certain amounts related to the workout plan of Wildwood Estates and related infrastructure.

## **WILDWOOD ESTATES MELLO-ROOS**

The fund accounts for special taxes and bonds used to finance development projects in Wildwood Estates.

## **CRIMINAL JUSTICE TEMPORARY FACILITY CONSTRUCTION**

The fund provides for Criminal Justice construction projects pursuant to Government Code Section 761010.

## **COURTHOUSE TEMPORARY CONSTRUCTION**

The fund provides for courthouse construction projects pursuant to Government Code Section 76100.

## **PUBLIC SAFETY AUGMENT**

The fund provides for the receipting of and disbursement of Public Safety Augmentation Funds (Proposition 172), according to the agreed upon allocations per County resolution.

# COUNTY OF NEVADA, CALIFORNIA NONMAJOR SPECIAL REVENUE FUNDS

## **DISPUTE RESOLUTION**

The Dispute Resolution Programs Act of 1986 provided for the local establishment and funding of informal dispute resolution. The County is authorized to allocate up to \$8 from filing fees in superior, municipal and justice court actions to generate new revenues for these local programs.

- **COMMUNITY DEVELOPMENT AGENCY**

The fund provides for the fiscal, administrative, management, long-range planning and coordination services that support the efforts, authority and duties of the Building, Environmental Health, Agriculture, Planning Departments, which includes the Code Compliance Program.

- **DISTRICT ATTORNEY**

The fund provides for the review of investigations conducted by the law enforcement agencies, sometimes conducts its own investigations or joint investigations, makes filing decisions regarding criminal complaints, and handles misdemeanor and felony cases at all stages of proceedings, both adult and juvenile.

- **PROBATION**

The fund provides for mandated tasks for adult/juvenile intake and supervision services, alternative custody programs, juvenile hall, and victim witness services.

- **RECORDER**

The fund provides for repository of official and vital records for the County and files or records a variety of documents, maintains a record of those documents for posterity, and makes certified copies available to the public.

- **SHERIFF**

### **AUTOMATED WARRANT SYSTEM**

The fund was established to track vehicle code 40508.5 fines for development and operation of the automated warrant system.

### **SHERIFF ANTI-DRUG GRANT**

The fund was established to record revenues and expenses associated with anti-drug investigations and prosecutions.

### **CLETEP GRANT-OCJP#LO9901**

The fund was established to record revenues and expenses for the California Law Enforcement Technology Enhancement Program.

### **CIVIL FEE - AB709**

The fund was established per Assembly Bill 709, funds to be used for implementation, maintenance and purchase of equipment and furnishings for Sheriff-Civil.

### **ATTACHMENT ASSESSMENT FEE**

The fund was established per Government Code Section 26746, funds to be used for County's cost for vehicle fleet replacement and equipment for the Sheriff.

### **CORRECTIONAL TRAINING**

The fund was established for training of eligible corrections officers, juvenile counselors, and probation officers to improve the level of competence of such staff. Such application and approval is governed by regulation and procedures established by the Board, subject to the availability of funds.

### **INMATE WELFARE FUND**

The fund was created by statute primarily for the benefit, education and welfare of the inmates confined within the jail.

### **TRUCKEE ANIMAL SHELTER**

Fund set up in 1982 with a \$1000 donation from the Humane Society to go toward the funding of a Truckee based Animal Shelter.

### **FEDERAL ASSET FORFEITURE FUND**

The fund was established to hold proceeds from property seized until a Federal court order allocates the distribution per Code Section 11489.

# **COUNTY OF NEVADA, CALIFORNIA NONMAJOR SPECIAL REVENUE FUNDS**

## **FINGERPRINT IDENTIFICATION**

Fund was established for the enhancement of fingerprint facilities funded by monies levied from fines, fee and forfeitures on criminal offenses. Monies are to be used only for the purchase, lease, operation, including personnel and related costs, and maintenance of automated fingerprint equipment, or for the reimbursement to agencies that had previously performed any of these functions.

## **LAW ENFORCEMENT SERVICES**

Also known as the Citizens for Public Safety grant (COPS). These funds are allocated to the Sheriff - Jail (12.5%) for county jail construction and operations, the District Attorney (12.5%) for the prosecution of criminals and 75% to the County and the cities within the County local front line law enforcement services.

## **LAW ENFORCEMENT BLOCK GRANT**

The fund was established for deposit and transfer of Federal funds received from the Local Law Enforcement Block Grant Program. All requirements of the expenditure of these funds, including a recommendation from the LLEBG Grant Advisory Board, and the successful completion of a public hearing have been met.

## **GC76104.6 ST DNA ACT**

The fund was established to collect fines from the DNA Penalty Assessment (Proposition 69). These funds are used for Administrative costs; collection of samples; processing/analysis/tracking and storage of DNA crime scene samples; equipment; software and other.

## **STATE ASSET FORFEITURE**

The fund was established to hold proceeds from property seized until a State court order allocates the distribution per Code Section 11489.

- **HOUSING AUTHORITY**

These funds provide Section 8 rental assistance vouchers to very low-income seniors, disabled persons, families and individuals, to ensure safe, affordable housing.

- **SPECIAL DISTRICTS GOVERNED BY THE BOARD OF SUPERVISORS**

These funds support a number of special purpose district funds administered by the Department of Transportation. Funding is provided by tax levies and service charges.

- **DEPARTMENT OF TRANSPORTATION**

The fund provides for the construction and maintenance of County Roads, along with transportation planning activities.

- **HOUSING AND COMMUNITY SERVICES**

The fund provides for the securing of State and Federal grants for affordable housing, economic development, energy assistance, community facilities and various low-income community services.

## **COUNTY OF NEVADA, CALIFORNIA NONMAJOR DEBT SERVICE FUNDS**

Debt Service Funds are used to account for accumulation of resources for, and the payment of, principal and interest on the County's general long-term debt. Nonmajor debt service funds used by the County are listed below:

- **GOVERNMENT DEBT SERVICE**  
Fund accounts for other financing requirements of the County, including for Laura Wilcox Memorial building. Amounts are transferred into, and payments made out of, this fund.
- **SPECIAL ASSESSMENT DEBT WITH COUNTY COMMITMENT**  
These funds were established to administer bonds issued by the County of Nevada on behalf of the County Service Area 22 Assessment District under the Improvement Bond Act of 1915.
- **FINANCE AUTHORITY**  
Fund accounts for finance and refinance of any real or personal property for the benefit of Nevada County. The Finance Authority is the lessor for the County's Certificates of Participation, and makes debt service payments on behalf of the County.

**NONMAJOR PROPRIETARY FUNDS**  
**Enterprise Funds**

**THIS PAGE INTENTIONALLY LEFT BLANK**

## **COUNTY OF NEVADA, CALIFORNIA NONMAJOR ENTERPRISE FUNDS**

Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed primarily through user charges; or where the County has decided that periodic determination of revenues earned, expenses incurred and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. Nonmajor enterprise funds of the County are listed below:

- **EASTERN NEVADA COUNTY SOLID WASTE**

Fund accounts for the solid waste support services in Eastern Nevada County. Includes administration of refuse collection franchise in Eastern Nevada County. Fees collected from property owners in unincorporated Eastern Nevada County and used for residential refuse collection, recycling, and disposal activities. Also used to administer the Hirschdale Landfill closure and provide post-closure monitoring services.

- **TRANSIT SERVICES**

Fund accounts for administration and delivery of public transit and paratransit services, primarily in Western Nevada County. Includes the Gold Country Stage, a fixed-route system serving Western Nevada County, and administers a contract for provision of specialized paratransit services for disabled persons. Also used to account for participation in the Truckee-North Tahoe Transportation management Association, a public-private partnership working to improve transportation in the Truckee-Tahoe area.

## **COUNTY OF NEVADA, CALIFORNIA INTERNAL SERVICE FUNDS**

Internal service funds are used to account for the financing of goods or services provided by one department or agency to other departments on a cost-reimbursement basis. Internal Service Funds used at the County are listed below:

- **FLEET MANAGEMENT**  
The fund accounts for the management of a program to ensure that both current and future vehicle needs are met for all County departments.
- **VISION INSURANCE**  
The fund accounts for the vision insurance component of the self-insurance services provided to County employees.
- **UNEMPLOYMENT INSURANCE**  
The fund accounts for the management of unemployment insurance for the County's self-funded plan.
- **LIABILITY INSURANCE**  
The fund accounts for the services related to the protection of the County from general liability exposures. It provides claims management services, and pays the premium costs for general liability insurance.
- **CENTRAL SERVICES**  
The fund accounts for printing, copier, mail, pool car scheduling, answering the County information line, and scanning services provided to County departments and outside agencies.
- **DENTAL INSURANCE**  
The fund accounts for the dental insurance component of the self-insurance services provided to County employees.

**FIDUCIARY FUNDS**

**THIS PAGE INTENTIONALLY LEFT BLANK**

## **COUNTY OF NEVADA, CALIFORNIA FIDUCIARY FUNDS**

Fiduciary funds are used to report assets held in a trustee or agency capacity for others and therefore cannot be used to support the government's own programs. Fiduciary funds include investment trust funds and agency funds.

- **INVESTMENT TRUST FUNDS**

The assets of these funds are held in trust for other agencies and are part of the County's external pool. The external investment pool is made up of five separate funds; Special Districts governed by Local Boards, School Districts, School Districts Debt Service, Courts and Jury/Witness and Local Transportation Authority. These funds account for assets, primarily cash and investments in the County's investment pool, owned by legally separate entities such as school and community colleges, special districts governed by local boards, regional boards and authorities, and pass through funds for tax collections for cities. The County is obligated to disburse monies from these funds on demand.

- **AGENCY FUNDS**

To account for the receipt and disbursement of various taxes, deposits, deductions, and property collected by the County, acting in the capacity of an agent for distribution to other governmental units or other organizations. The agency funds maintained by the County include two separate components.

Accrued Trust Funds - Accounts for property tax receipts awaiting apportionment to other local governmental agencies and investment earnings awaiting apportionment to other local government agencies.

County Departmental Agency Funds - Accounts for all assets under the control of County departments which are held in a fiduciary capacity.

**THIS PAGE INTENTIONALLY LEFT BLANK**

## **COUNTY OF NEVADA, CALIFORNIA STATISTICAL SECTION**

This part of the County's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the County's overall financial health.

- **Financial Trends**

These schedules contain trend information to help the reader understand how the County's financial performance and well-being have changed over time.

- **Revenue Capacity**

These schedules contain information to help the reader assess the factors affecting the County's ability to generate its property and sales taxes.

- **Debt Capacity**

These schedules present information to help the reader assess the affordability of the County's current levels of outstanding debt and the County's ability to issue additional debt in the future.

- **Demographic and Economic Information**

These schedules offer demographic and economic indicators to help the reader understand the environment within which the County's financial activities take place and to help make comparisons over time and with other governments.

- **Operating Information**

These schedules contain information about the County's operations and resources to help the reader understand how the County's financial information relates to the services the County provides and the activities it performs.

<sup>1</sup> Net expense is the difference between the expenses and program revenues of a function or program. It indicates the degree to which a function or program supports itself with its own fees and grants versus its reliance upon funding from taxes and general revenues. Numbers in parentheses are net expenses, indicating that expenses were greater than program revenues and therefore general revenues were needed to finance that function or program.

<sup>1</sup>Article XIII A, added to the California Constitution by Proposition 13 in 1978, fixed the base for valuation of property subject to taxes at the full cash value that appeared on the Assessor's 1975-76 assessment roll. Thereafter, full cash value can be increased to reflect:

- a) annual inflation up to 2 percent;
- b) current market value at time of ownership change;
- c) market value for new construction.

<sup>2</sup>Includes aircrafts

**Note:** Estimated actual value of taxable property cannot easily be determined as property in the County is not reassessed annually, reassessment normally occurs when ownership changes.

<sup>1</sup> On June 6, 1978, California voters approved a constitutional amendment to Article XIII A of the California Constitution, commonly known as Proposition 13, that limits the taxing power of California public agencies. Legislation to implement Article XIII A (Statutes of 1978, Chapter 292, as amended) provides that notwithstanding any other law, local agencies may not levy property taxes except to pay debt service on indebtedness approved by voters prior to July 1, 1978 or any bonded indebtedness for the acquisition or improvement of real property approved on or after July 1, 1978 by two-thirds of the voting public.

<sup>2</sup> Proposition 13 allows each county to levy a maximum of \$1 per \$100 of full cash value. Full cash value is equivalent to assessed value pursuant to Statutes of 1978, Senate Bill 1656.

<sup>1</sup>The levy and collection amounts include special assessments, penalties, cost, and any applicable interest. They do not include supplemental taxes. Also, the levy is based on the equalized roll and all escaped assessments and assessor's roll corrections processed within the fiscal year.

<sup>2</sup>This reflects the current levies unpaid at year end. Currently, the County's property tax system does not have the ability to track delinquent collections by the respective year of the levy.
